THE GOLDEN EAGLE

Volume 3

"Watch your children soar"

December 2014

From the Directors:

The holiday season is in full swing and the weather at camp is cold. There are no campers here but we're excited anyway! Our plans for 2016 are shaping up and we can't wait to share them with you. We thought you'd appreciate some warm summer news from your family at Eagle's Landing Day Camp while taking a break from school!

We're planning lots of upgrades for next summer.

As you read this newsletter you'll find out about new staff, new programming and facility upgrades. Every summer we ask for feedback from campers, parents and staff. We throw all the schedules on a table and see what we can change. Add great new ideas and maybe take away some less popular choices. The first major construction on our list is 4 brand new GaGa courts! Every summer we focus our efforts on making Eagle's Landing a better place for kids. Over the last

4 years **we've spent over \$3 million dollars improving and upgrading** the property (that's a lot of fudgesicles!) We're also adding more refrigerated water fountains throughout the camp to keep everyone hydrated.

We're growing our Art Department as well. More space allows us to add additional instructors and advanced electives to our program. This summer you'll see more space dedicated to ceramics and pottery wheels.

New construction is always exciting, but what's new in camper programming? Some of the additions for 2016 is Ninja warrior, expanding our Nature program and adding gardening, outdoor cooking, geocaching and pioneering. Every one of our program areas is being overhauled with more space and fresh new project ideas!

We're fortunate that over 83% of our families from last year have already enrolled for 2016 and new families are calling every day. We've had a busy fall season as families from camps near and far have been making the switch to Eagle's Landing. While increased enrollment is good, it means that groups will fill quicker and some people may be closed out. Don't wait too long!

In addition to our program and facility upgrades, We're continuing our 'green' effort by reducing our paper output to be more caring for our environment. We now use an online camp enrollment system. You can log on

to our secure website and sign up for camp without ever touching a piece of paper! The account is easy to set up and you can manage it right from home or work. Please remember we have tremendous flexibility when it comes to changing, adding or dropping weeks up until June 1st. Go to our website EaglesLandingDayCamp.com to get started.

If you have any questions or need help with the registration process, please call our office at 732-821-9155 and we'll be happy to help.

If you haven't enrolled yet for 2015, now's the perfect opportunity! **Groups are filling and we are starting a waiting list next month** for some age groups!!!

Have a Happy New Year and Think summer!

- Ruth Ann and Barry

Have your next event at Eagle's Landing!

A corporate picnic or family event at Eagle's Landing is the perfect opportunity for you and your guests to relax, refresh and have fun! Our professional staff will take care of all the details and organize your day whether you invite 100 or 1000 guests. Swimming, sports and a catered BBQ will create an event to remember. Book now for 2015, dates are going fast!

Eagle's Landing also has room for meetings and indoor events in the Nest! Whether it's a holiday party or a corporate lunch, call Brian at 732-821-9155 for more information.

TALENTED AND GIFTED ELECTIVES

Many families have asked us for more advanced activities for their children. This summer we are giving ELDC families exactly what they asked for! In addition to our fun and exciting regular electives, we are offering advanced options in sports and arts for campers who are interested in following our **TAG Electives** track!

Our **Sports Department** will offer both regular and advanced electives this summer. Campers will be able to choose which sport they're interested in and if they want to play a regular game or take their skills to the next level! TAG Electives will be available for grades 3-9 (grades 2 and below don't have electives).

Our **Theater Arts Department** is exploding with new ideas! We're still working through the details but we'll give you an idea of what we're working on. For 2015 we're adding to the regular drama show, creative

dramatics, dance and music programs. Next summer we will also offer stage combat, improv, movement and mask and voice coaching! How awesome is that? You may be wondering which show we picked for our 5th-8th graders? Drum roll please.. and the show is "**Suessical Junior**." The 3rd and 4th grade production has not been selected yet because we are changing the format to include dialogue as well as dance and musical numbers.

We are also offering advanced TAG Electives in our **Art Department** which include glass fusing, leather working and jewelry design. Woodshop TAG Electives will include scenery art and wood burning. Our **Science STEM Program** is offering TAG Electives that include

Upper Camp Reunion

Eagle's Landing is hosting its annual Upper Camp get together again this winter! Last January our Upper Camp reunion was a big success with over 80 campers attending. If you are an ELDC camper who is currently in grades 5, 6 or 7 in school, then you are invited (the reunion is for campers who will be in grades 6, 7 or 8 this summer at camp).

**Please join us
Sunday, January 11 from 2-5pm
for our Upper Camp Reunion**

for snacks, meeting new friends and some games to get you ready for summer 2015! Please **RSVP to Alyssa at 732-821-9155 or e-mail her at alyssa@eagleslanding-daycamp.com** if you can stop by and join the fun.

We hope see you all there!
