"The Summer of AHH-MAY-ZING"

Week 6

## Week 6 was a Blast...from the Past!

Is it really possible that there are only 2 weeks left of camp? We sure have had an AHH-MAY-ZING summer here at Eagle's Landing and we're sure to finish up strong!

Monday was **Mummy Mania** and the campers really got a kick out of watching counselors and campers get wrapped like mummies in toilet paper.

Tuesday was **Orange You Fantastic** and camp was a sea of orange! Walking around camp it was really cool to see all the orange on all the campers and staff!

Wednesday was our special day, **Blast from the Past**. All the kids really enjoyed partaking in activities from years gone by. Read the Special Events article for more exciting details of the day.

Thursday was our **Watermelon Seed Spitting Contest** and let me tell you, we had some really far spitters! Who knew that pits could fly so far?!

Friday was **I LOVE ELDC** Day and boy was there a lot of LOVE around camp!

Everyone proudly wore their favorite ELDC attire and were excited to pose for pictures!

Week 6 was a lot of fun and we're looking forward to another great week! Have a wonderful weekend and we'll see you on Monday!

- Cinde, Editor-in-Chief

## SPECIAL EVENTS

This week's special day was **Blast from the Past!** Campers traveled back in time to experience the 1950s, 1960s, 1970s, and 1980s. Sack races and limbo, both popular during the '50s were a favorite for many of our younger campers.

They learned all about 45 records and juke boxes at the records discus activity.

Campers experienced drive-in movie service at the car hop relay. Tie-dye was huge during the '60s and campers had the opportunity to create some bright and colorful coffee filter art. Campers danced through the decades, learning the twist and some awesome disco moves.

Everyone's favorite companion, pet rocks, made an appearance in Arts and Crafts. The video games from the 1980s came to life while campers played Pac Man tag. Decades bingo was another favorite for the day as campers recognized iconic images from all four decades. It was a blast experiencing the past! Next week's special day is Carnival and is always a favorite day for our campers!

## PUMPKIN PIE SMOOTHIE

Like most orange-colored vegetables, pumpkin is packed with vitamin A, which keeps your eyes super-healthy! And luckily you can just open a can of pumpkin instead of cooking your jack-o'-lantern. With its vanilla and spice flavors, this smoothie tastes like pie in a glass.

### What you need:

- Measuring cup
- Measuring spoons
- Can opener
- Dinner knife
- Cutting board
- Blender (adult needed)
- Ingredients
- 1/4 cup orange juice
- 1/4 cup low-fat milk
- 1/2 cup plain low-fat yogurt
- 1/4 cup canned pumpkin puree
- 1/2 very ripe banana
- 1 dash cinnamon and/or nutmeg
- 1/2 teaspoon vanilla extract
- 2 ice cubes

### Instructions:

1. Put all the ingredients in the blender.
2. Put the top on tightly. Turn the blender to a medium setting and blend until the ice is chopped and the mixture is smooth, about 1 minute.
3. Serve right away or refrigerate up to 4 hours.

### Notes:

Waste Not! You will only use a part of the can but don't waste it! Measure out quarter cupfuls of the rest of it, freeze them solid on a piece of wax paper on a baking sheet, then store them in a labeled plastic bag in the freezer, where they'll be ready for future smoothies!

## ANOTHER GREAT WEEK HAS FLOWN BY...

## BJA's FANTASTIC Week!

Although we are a little blue that the end of week 6 has arrived, we are thrilled that we've had a memorable and exciting summer so far! Yes, we may be tiny, but we sure know how to have a grand old time at camp! Zachary Oliver has been embracing his inner "wild" side at Nature. He is kind to the animals and loves making projects and planting grass. Noah Austein was interested in our musical activities. He was fascinated with the songs from other cultures and is often heard singing throughout the day. Roman Tutela enjoys improving his skills on the Basketball court and loves showing the rest of BKA what he learned. Marquay Taylor is usually the active one in the group! This week, however, he enjoyed cooling off and calming down in Ceramics. He painted a beautiful dinosaur sculpture. Sujash Kambam is the fish of our group! He is happiest showing off his strokes in the pool and running through the Spray Park with his friends. Rafael Sharlot enjoys playing the creative games in Fantastic Fun. Angry Birds outdoors was a huge hit! Will Altman likes to use his imagination on the Wooden Trucks. His favorite is the train. Pauly Gallucci had a wonderful time at Tee Ball. We have had a blast this summer and can not wait to see what these next 2 weeks have in store.

## CERAMICS

This summer, Ceramics has been jam packed with many uniquely creative activities. Today's cinema came alive in Ceramics with all of the Lego characters the campers designed and decorated.

The wind chimes helped ground us all, as we listened to their calming sounds with every gust of wind that passed by. The camper's coil plates and bowls reflected their diverse imaginations.

-Jenn, Ceramics Coordinator and Alli, Ceramics Instructor

## Woodshop

It's hard to believe we're in the second half of the camp season already. In Woodshop, the campers have been very busy. Have you enjoyed the note holders and name plaques our 2nd grade campers made? How about the book leans our 3rd grade campers were so proud of? If you can't keep track of the remote control, the 4th grade boys and girls have come up with a perfect solution...a TV remote cradle/holder! Do you have a zigzag shelf? Our 7th and 8th grade campers do, complete with a stained finish. Not to be out done, the 5th and 6th grade campers are ready to study with a desktop book shelf and paper towel holder. Some of the 7th and 8th grade campers enjoy helping to build scenery for our end of season show.

Peter and I hope the campers enjoy the projects they have made. The projects to us are more than just the wood, glue, and nails. These projects are the experiences that campers have while using their hands to sand, saw and create useful objects. We encourage all of the campers to take pride in what they have created, knowing that they will improve with each visit to the ELDC Woodshop.

*-David and Peter, Woodshop Coordinators*
