Volume 2

"The Summer of AHH-MAY-ZING"

Week 7

## The summer winds down...

Week 7 did NOT disappoint! We had some wet weather but that didn't dampen any of our spirits! The counselors and campers were all smiles this week!

Monday was the **1ST GRADE BREAKFAST AND THE 2ND GRADE STAY LATE**. Lower camp really enjoyed themselves on their special day this summer!

Tuesday was **TATTOO TUESDAY** and boy did we see a lot of tattoos! My personal favorite were the Eagle's Landing tattoos that everyone proudly wore on their faces, hands, arms and legs.

Wednesday was the most anticipated day of the summer, **CARNIVAL!** From music to rides, games and yummy treats, the campers really enjoyed themselves. It was so great to see all the smiles and hear all the laughs as the groups visited each booth. For more details on the day, read Alyssa's special events article.

Thursday was another highly anticipated day of the summer, the **Lower Camp shows**. Kiddie Kingdom and the 1st and 2nd grade made their counselors and families proud as they danced and sang their hearts out on stage.

Friday brought many chuckles to the campers as they got to watch the "**Counselor Beauty Contest!**" They really enjoyed themselves watching their counselors dress up and strut their stuff!

It's hard to believe that there is only one week left of camp this summer. Looking back on these AHH-MAY-ZING 7 weeks, I can only smile. ELDC is like one big happy family and as promised, this has been an AHH-MAY-ZING summer. Have a wonderful weekend and we'll see you on Monday for the last week of camp.

- Cinde, Editor-in-Chief

## SPECIAL EVENTS

This week's special day was Carnival! Everyone was excited for this favorite camp day. The highlight of the day was the spectacular carnival rides including a trackless train, a carnival bounce, a giant slide and a swing ride. Each group had a chance to walk around and visit the various booths. The CIT's ran the candy gram booth and gave campers the opportunity to send messages to their friends and counselors. An always popular booth, the marriage booth was busy all day long! The 3/4 campers ran a variety of booths including the frog hop, the ball bounce and crazy cans. Jelly bean count, cover the spot and the coin drop were just a few of the booths that were run by the 5/6 campers. Many of the campers headed over to the dunk tank, spin art and baby picture booths run by the 7/8 campers. Everyone enjoyed cotton candy and popcorn and showed off their beautiful airbrush tattoos and face painting. It was a fantastic Carnival! Next week's special day is the Drama Shows. Make sure to come out and see your children in "The Little Mermaid Jr." and "The Broadway Spectacular."

## BAKED FUNNEL CAKES

### Ingredients:

- 1 cup water
- 1/2 cup butter
- 1/8 teaspoon salt
- 1 cup all-purpose flour
- 4 eggs
- 2 tbs powdered sugar

### Directions:

1. Preheat oven to 400° F. Coat a very large baking sheet with cooking spray; place a wire rack over waxed paper or a large tray. Set aside.
2. In a medium saucepan, combine the water, butter and salt. Bring to a boil. Add flour all at once, stirring vigorously. Cook and stir until mixture forms a ball. Remove from heat. Cool for 10 minutes. Add eggs, one at a time, beating well with a wooden spoon after each addition.
3. Spoon dough into a large resealable plastic bag. Using scissors, snip a 1/4- to 1/2-inch hole in one corner of the bag. Pipe dough into twelve 3- to 4-inch circles on prepared baking sheet. Fill in the circles with dough swirls and crisscrosses to resemble funnel cakes.

## GKD's AHH-MAY-ZING summer

GKD has had a wonderful 7th week at camp! Ella Weber and Ruby Portnoy LOVED creating masterpieces at Ceramics. Zoey Aleixo and Rachel Burwick are always racing around on scooters! Julia Henits made loads of sweet treats in Baking this week. Leah Angelo and Sara Adams created beautiful symphonies in Music! Isabella Rubino LOVES going to Swim! Jillian Wolf and Sophia Demarest always have a good time at Dance. GKD enjoyed showing all their Dance moves to their parents during the Kiddie Kingdom show. We loved spending our time with these girls over the summer and can't believe the summer is almost over!

### 3rd/4th grade Division

The 3rd and 4th graders have loved summer 2014! Choosing electives for the first time has given the 3rd grade campers the chance to experience all of the AHH-MAY-ZING activities here at camp. We had our second overnight, filled with swim, activities, a delectable pasta with meat sauce dinner, and S'mores! The girls ended the night with a showing of "The Parent Trap," while the boys ended their night watching "The Little Giants."

Campers loved special days this summer, especially H<sub>2</sub>Oasis, Blast from the Past and Carnival! With themed activities, blow-up water slides, rides and more, there was not one dull moment in seven weeks! Even more exciting, we are proud to share that 6 of our 3rd and 4th grade girls are going to show off their talents at the camp wide Drama Show next week.

Though we are sad that week 8 is just around the corner, we are looking forward to the exciting end-of-summer events. The summer may be coming to a close, but we're already planning for 2015. Looking forward to seeing you then!

### Our extraordinary week!

GKE had an extraordinary week 7! We all had a blast at the Carnival. Amali Tellis baked her heart out at Baking. Half court shots in Basketball are a piece of cake for Isha Kanodia. Zoe Holeman pretended to be a flying superhero in Creative Dramatics. Keep your eyes open for Emily Wyand in a future US Open, she's AHH-MAY-ZING! The snakes in Nature don't scare Rachel Erlich at all! She's going to be the next Steve Erwin. Juliana Williams is AHH-MAY-ZING at painting her clay in Ceramics. All the girls loved showing off their Dance at the show on Thursday! We can't wait for a great week 8!

## B6A's a great group of boys!

B6A really stepped up to the plate this week, especially when I was in need. Unfortunately, last Wednesday I sprained my ankle in the staff soccer game. While I have been recovering my campers have been AHH-MAY-ZING! I'm very appreciative of each and every one of these boys. Daniel Alexeev always offers to help me out everyday while still enjoying all his activities. Liam Barlow enjoyed his first week as a member of B6A. He is a great addition to the already athletic, well behaved group. Jaden Hecht, Zachary Lacerte and Robert Szabo all stood out at Batting Cages and Basketball this week. Brendon Kupsch and Michael Mendoza are true masters in Gaga. Jeremy Oliver asks me each day if I am getting better. He could not wait for Carnival all week! Myles Plummer has enjoyed trying a variety of new sports including Soccer and Basketball. Guy Plawner and Joshua Stein both impressed me in the magnet race during Tuesday's rainy day. They make it look so easy! B6A had such a great jam packed week with our trip and the Carnival! I would like to thank each of our campers individually for helping me out this week. I look forward to an AHH-MAY-ZING week 8!

## Another excellent week for GKC!

This has been an excellent week for the girls of GKC. We started the week off in Arts & Crafts where Ally Beckman and Maya Hari displayed their beautiful artwork. Next at Mini Golf, Sydney Brown and Sophia Vriesendorp showed of their super golfing skills. At Music, Amanda Seidler and Jolie Salamon lifted their voices above the rest when singing African tribal songs. At Cooking and Baking, Caitlin Kienle, Taegyu Yi and Gabrielle Lea created some delicious treats. Madelyn Binaco loved showing her Dance moves during the Kiddie Kingdom show rehearsal. Sadly we had to say goodbye to Sydney Brown but not before she enjoyed her last week of camp. GKC was excited to show all the parents their Dance moves during the Kiddie Kingdom show. We can't wait for another great week with GKC.
