

# THE GOLDEN EAGLE

Volume 3

"Summer of SUN-sational"

Week 4

## Week 4...

### Color War & More!

Week 4 of camp was truly incredible. While the heat was scorching on Monday, we looked oh so cool in our crazy clothing combos for **Mismatch Monday**. With polka dots, strips, bolds and prints, ELDC has some of the most outrageous outfits.

Tuesday was the day everyone has been waiting for: **COLOR WAR!** Tuesday morning we collected food for the South Brunswick Food Bank and in the afternoon we enjoyed a cool Chinese Lion Dance. **COLOR WAR** teams were announced and you could feel the energy surge through the camp as the excitement of upcoming competitions grew.

Wednesday campers, counselors and staff donned their team colors, gold or blue and the **COLOR WAR** games began. Campers had fun competing in sports themed activities and loved the new exciting games as well as some good old ones. One of the best events on Wednesday was our **Yacht or Not Day**. Campers constructed boats from cardboard and attempted to sail themselves across the pool. We saw a lot of creative and innovative designs cast off.

Thursday we competed in the last of the **COLOR WAR** games and ended with the famed "**Apache Relay**". Teams competed tasks throughout the camp and it was so cool to see the sea of gold and blue racing to the finish line. For the first time ever in **COLOR WAR** history we had a tie score at the end. The Blue Frozen team won the tie breaking event, watermelon eating! Congratulations too all of the campers who competed, it was a great event for everyone.

Friday was **Hilarious Hat Day** and again our campers came to camp in style. Wacky and wild, we ended another great week looking oh so cool.

## SPECIAL EVENTS

I can't believe the summer is already halfway over. This week was **COLOR WAR!** The Gold Minions versed Blue Frozen. For two and a half days, everyone's schedule was put on hold and they were given new schedules. The first day started with the **Hunger Games Food Drive**, where we collected food for the South Brunswick Food Bank. **COLOR WAR** broke out with an awesome Chinese Lion Dance! Campers then found out what team they were on by opening fortune cookies with a special message inside. For **Yacht or Not Day**, campers third grade and up were able to build boats out of cardboard and race them in the pool. Both Wednesday and Thursday were filled with friendly competition and good sportsmanship. Campers played activities such as Crab Soccer, Iron Chef, Find the Shoe, 9 Square in the Air, Bake-Off and Relays. There were also special challenges, such as the ROYGBIV Challenge, the Seed Bead Challenge, the Soarin' Sammy Challenge and the Woodshop Puzzle Challenge. Thursday ended with the Song & Cheer performance, plaque presentation and the **APACHE RELAY**. Campers had a blast running and participating in the activities for the relay. This year's **COLOR WAR** has proven to be the best one yet! The 2015 **COLOR WAR** winner is **Blue Frozen!** Good job to everyone for participating.

## Monsters and Mermaids Oh My!

The 5/6 division is off to a great start! These past 4 weeks have gone by so fast, but they sure did not disappoint. The 5th graders have enjoyed their Special Days, especially Sammy's Spooky Spectacular, when they got to "Mummify" their counselors with toilet paper. The 6th graders are really enjoying their exciting trips; Hurricane Harbor, Jenkinson's, Liberty Science Center, and Branchburg Sports Complex. There was never a dull moment on any bus ride or trip. It's so great seeing all the campers having a blast and really enjoying their camp experience together.

Both the boys and girls had their first overnight during week 3, where all the boys turned into cute monsters while watching Monsters University, and all the girls turned into mermaids during Aquamarine. Electives have been a huge hit with every camper. Whether campers go to Archery, Baking or Cooking, TAG Sports, Art or Ceramics, everyone is involved and loving their choices. As leaders we're having a SUN-sational time with all the division and we hope our campers are too. We are excited to spend the next 4 weeks with our awesome 5th and 6th grade campers!

## BURNIN' UP THE DANCE FLOOR!

Who knew that Eagle's Landing is full of SUN-sational dancers!?! We've been having an amazing summer so far shaking our sillies out and getting our groove on! Kid-die Kingdom has been learning different ways to move like galloping, skating, and tip-toeing as well as learning how to move like animals such as elephants, monkeys and snakes. They've also been bringing out their true superstar attitudes as we've been rehearsing for our show dances that will be performed in Week 7. First and Second grade have become masters of the various forms of movement that we've been learning about through playing movement freeze tag.

Our Third and Fourth grade friends have turned from campers to camp rockers as we learned the original choreography to the song "It's On" from Camp Rock 2. Everyone has been doing an awesome job doing the camp dance to "Uptown Funk" everywhere throughout the camp! It's been amazing to see the talent here at Eagle's Landing and I can't wait to see what the rest of the summer brings! Keep on Dancing!

~Danny, Dance Coordinator

## B7C is full of surprises!

Over the past SUN-sational four weeks I've gotten to know my campers very well. B7C is really a great bunch and they always seem to be laughing and joking around. This week, Chris Bavaro and Kunal Yeolekar put on an Archery clinic! Chris hit a balloon right in the center while Kunal got every one of his arrows on the target. Kirtitej Gandham and Shane Steinberg were active members in making a whirlpool in the camp swimming pool and they both had a blast. Billy Yatsko also had a great time at Swim just cooling off and hanging with friends. Joseph Haagen loved going Mountain Biking and was definitely up for adventure when new paths were offered. Ari Greenberg played great at Ga-Ga and even won a huge game! This was easily one of the most fun weeks this year and I can't wait for more!

Here in Wellness we gladly supported both the blue and gold teams in the Color War this week. As we end our update, we found a short quote to sum up what it feels like to be a nurse and work with others: "When you're a nurse, you know that every day you will touch a life or a life will touch yours." (Author Unknown). Stay safe and happy!

# NATURE

Camp kicked off a great start when campers of all ages came up with names for our two bunnies. These little critters now go by the names Chocolate and Vanilla. Both the bunnies and turtles are getting plenty of attention and love from the Eagle's Landing campers.

Week two was when Kiddie Kingdom made leaf art. First Grade got to show off their gardening skills when we planted an assortment of flowers and grass. Second through Eighth Grade got to learn about all different kinds of plants! Our Third and Fourth Graders had fun learning about trees and how to tell how old they are. We completed our lesson with everyone decorating their own tree rings. Fifth and Sixth grades got to learn about seeds and how they spread and then had a chance to experience plant life on a nature walk!

During Week Three we learned all about what birds like to eat and then Kiddie Kingdom through Second Grade made their very own bird feeders. Side note to First Grade: birds came and ate all of the bird feeders that we made!!! Fifth, Sixth, Seventh, and Eighth Graders had a great trip to try their hands at fishing!

Week Four is all about recycling and crafting recycled objects. After our hiatus for Color War, Upper Camp will tested their knowledge of nature with a scavenger hunt. Nature is just getting started as we look on to our weeks of studying geology, weather and learning how to safely cook outdoors and variations of nature scavenger hunts!

Caleb Hibbert made the most of his time at the Spray Park during the hot days. Kyle Sampson also found a way to beat the sun. He enjoyed the time our group spent at the pool. We can't believe that summer is half over. The next four weeks are going to be awesome!
