"Summer of SUN-sational"

Week 5

Keeping Cool and Having a Splashing Good Time

Summer is flying by and it's hard to believe we are starting our 2nd half of camp. Mother Nature really turned up the heat on us this week and (as always) we had the perfect activities planned to keep the campers having fun and loving this Sun-sational Summer.

Monday was **Camp T-Shirt Day** and there was a lot of ELDC spirit around camp. Everyone proudly wore their ELDC gear and enjoyed the day. Early Tuesday morning you could hear the flurry of chopping, slicing and dicing coming from the kitchen as preparations for biggest day of the year at ELDC was about to get under way. You guessed it, **TACO TUESDAY!**

For one day and one day only the infamous Manny Solano broke out his apron and secret family recipe and wowed campers with his famous "Manny's Tacos". Everyone went home with full and happy tummies that afternoon!

Wednesday everyone had a gallon of fun at our **SPLISH SPLASH BASH!** Shira, our Special Events Coordinator, could not have picked a better day to shower our campers with amazing water activities. The South Brunswick Fire Department paid us a visit and sprayed the campers with cool water just as things were heating up. Campers also played on a giant water slide and competed in water relays. It was hot but it was such a fantastic day for everyone!

Thursday was **TEAM THURSDAY** and campers wore jersey's from their favorite sports teams. On Friday we had **GUINNESS WORLD RECORD DAY.** Staff and campers set out to break our own records like Who can spin a basketball on their finger the longest? How many people can you high five in 1 minute? And how many times can a group of people jump through the big jump rope? It was a really fun way to celebrate The Guinness Book of World Records 60th year anniversary.

Our Sun-sational summer is flying by and we are soaking up every bit of fun we can while it lasts! See you all next week!

Special Events

This week's Special Day was Splish Splash Bash! The day began with a surprise visit from a fire truck that started off the wet and wacky day on the right foot! On this super-hot day, all fish were extremely excited to stay in their bathing suits. Every activity had a twist with a special water element added. The older fish in camp loved the Wet Clothes Relay, Water Balloon Spoon Race, and the giant blow up Water Slide! They also made

Sponge Balls in Arts and Crafts. The younger fish in camp had a fantastic time enjoying activities which included the Scooter Car Wash, creating paper plate jellyfish, washing cars in our actual Car Wash and creating an amazing ocean scene with Ocean Fun in Cooking.

All fish enjoyed the Sponge Squeeze Relay, Bucket Brigade, Wet n' Wild Tennis Baseball, and Drip, Drip, Drop. And we can't forget about the awesome blow up obstacle course on in the pool! Splish Splash Bash was a great follow up to Taco Tuesday and Camp T-shirt Day! After Special Day Wednesday, the camp enjoyed wearing jerseys with their favorite teams and seeing how many records they could break on Guinness World Record Day. Next week's Special day is Minion Madness! Get ready for this crazy Special Day!

Juggling the Fun in Creative Dramatics

This week in Creative Dramatics, Kiddie Kingdom worked on dramatizing the story of the Three Bears. After we warmed up our instruments with a balloon stretch the First and Second grade played a game where we told a story one word at a time as a group. When the stories were done, we had really silly fun acting out the stories our group created. Third through Ninth grades worked really hard at learning to juggle in their Elective. WE'RE CRAZY FOR SPORTS AT ELDC

Eagle's Landing campers are being super Noodle Hockey players this week. Campers have used strategies to find ways to use half a pool noodle as a hockey stick to score goals with foam playground balls. Campers of all grades are loving this new twist on hockey and with skill and teamwork everyone is a winner!

Last week, our 5th grade boys were top notch "9 Square in the Air" players. This challenging mix between volleyball and boxball keeps all players on their toes to get their opponents out. The game is fast paced and always a new experience.

We can't wait for another SUN-sational week of fun!
