"Summer of SUN-sational"

Week 7

Another week of FUN in the SUN

Monday we kicked off Week 7 with the **1st Grade Breakfast and 2nd Grade Stay Late**. Our campers going into 1st grade this year enjoyed a special breakfast just for them served under the blue and white tent. It was nice to sit and enjoy a beautiful morning with friends. Campers going into 2nd grade this year were really excited to stay at camp after everyone left. They swam, played games and ended the night with a sing-a-long and s'mores.

Mother Nature decided to cool us off on Tuesday with a few storms but that did not dampen our spirits on **Tye Dye Tuesday**. The camp was looking cool and groovy while campers wore all of our favorite colors and Tye Dye designs. Some of our campers have been doing Tye Dye in their Art Electives and it was great seeing all the designs they've created.

Wednesday was the most anticipated Special Day of the summer, **CARNIVAL!** Once again, Shira, our Special Events Coordinator, picked the perfect beautiful day for a summer carnival. We had spectacular rides including a trackless train, a giant slide and a merry-go-round. Each group also got to visit various booths to play games and enjoy different activities like face painting and spin art. To top off the day everyone got to enjoy popcorn, slushies and my personal favorite, cotton candy! It was a great event all around.

Thursday was another SUN-sational day as we began our **LOWER CAMP SHOWS**. Kiddie Kingdom and the 1st and 2nd graders have been practicing their dance moves and all their hard work certainly paid off. They put on a great show that will be hard to beat next year.

On Friday ELDC showed off their wild side with **Crazy Hair Day**. Some spiked it, some puffed it, some slicked it, some colored it. One thing was for sure, everyone used their imaginations to come up with hair raising looks.

It is hard to believe that our summer has almost come to a close and that we will be saying goodbye until next year at the end of next week. We've had a SUN-sational 7 weeks filled with a lot of fun and we've made a lot of great memories. We look forward to spending one last amazing week together.

Have a wonderful weekend!

SPECIAL EVENTS

This week's Special Day was the annual ELDC Carnival! The long awaited day had finally arrived! Every camper had the privilege of being involved in this awesome day. Groups in third grade and up were each responsible for a Carnival booth. Some booths found around camp were: Ring Toss, Duck Pond, Crazy Cans, Giant Connect Four, Jellybean Count, Lollipop Tree, Giant KerPlunk, Spill the Milk, Pipe Ball, Dunk Tank, Spin Art, Giant Jenga, and the Color Wheel. Camper's favorite booths included Face Painting, Air Brush Tattoos, the Marriage Booth and Candy Grams. Not only did campers get to visit booths while walking around camp, but they also had scheduled times to go to rides.

There were special rides for different age groups. Lower Camp enjoyed the Kiddie Pillar, Trackless Train, and Carousel Bounce. The older campers enjoyed the Vertical Rush Slide and the 4-Man Equalizer. Campers also had the chance to stop by the blue and white tent and grab a special treat. They had the choice of slushies, popcorn, cotton candy and ice cream. Carnival is always fun but it also means that camp is coming to an end. Next week's Special Day is Drama Shows! Break Legs to all the performers and I can't wait to see the amazing shows!

HELLO CAMPERS AND FAMILIES!

B4-BOMBS

As we approach week 8 of camp, we can begin to look back at all of the fun we've had together and look forward to one more week of camp to round out the summer. Some great memories were made during DL time. Campers and counselors practiced their dance skills while enjoying the summer hit "The Whip." It gave the group a chance to explore outside of the every day routine and have some laughs and camaraderie. We also used this time to perfect our Ga-Ga game and get in a few rounds on the Mini Golf course.

This summer the group participated in a new program called Leagues. It allowed the campers to play in tournaments, competing against teammates within the group. We played Hockey, Basketball and Soccer. The Leagues have been a great success both on and off the field and court. Campers had a blast and really displayed great sportsmanship which carried over to the overall camp experience. In next week's tournament were diving into a little Flag Football to gear up for NFL pre-season kick off.

A highlight of our time at ELDC has been weekly field trips to a variety of fun Jersey locations. One trip that really stands out was the Princeton Scavenger Hunt. Each group was challenged to play detective by reading a clue and finding the location to find their items or solve the mystery. Some of these clues led campers to sweet rewards or prizes. It was a great day in a historical town and fun was had by all.

As we look forward to the final week of camp, be ready to wear your ugliest shorts on Monday and take off on another adventure for Friday's Mystery Trip!

Grade 7 & 8 Divison Leaders

Cooking Corner CHERRY FLUFF

Ingredients:

- 1 - 8 oz Cool Whip
- 14 oz can sweetened condensed milk
- 1 - 21 oz can cherry pie filling
- 1 - 20 oz can crushed pineapple, well drained
- 2 cups mini marshmallows

Combine all ingredients in a large bowl and mix well.

Baking Corner

Lemon Goopy Bars

Ingredients:

- 1 box lemon cake mix
- 1/2 cup butter (1 stick), softened
- 1 egg
- 1/2 cup sweetened condensed milk
- 1/2 cup white chocolate chips

Instructions:

Preheat oven to 350 ° F. Line a 9x9 baking pan with foil and spray with cooking spray.

Mix butter with a mixer (hand or stand) until smooth. Mix in cake mix and egg; beat until combined. Note: if you use a hand mixer it will take a long time to come together. Just keep on mixing until you get a thick cookie dough.

Press 2/3 of the cake mixture in the bottom of the prepared pan. Sprinkle white chocolate chips over the top and drizzle the sweetened condensed milk over the top of the chocolate. Break up the remaining dough and crumble it over the top of the bars. Press lightly to seal.

Bake for 28-33 minutes, until slightly browned. Cool completely before cutting.

Note: you can do this in a 9x13 pan by using the whole can (14 oz) of sweetened condensed milk and 1 cup of white chocolate chips, but the bars will be thinner. Baking time will also need to be adjusted.

Summer is so Sweet

G8B is having an amazing time here at Eagles Landing! It is week 7 and we cannot believe camp is almost over. Alison McNicholas and Jacqueline Francis both enjoyed wearing their color filled shirts for Tye Dye Tuesday. Grace Reilly loves going to Free Swim every day to cool down and have fun. Many of the girls had a great time at Carnival on Wednesday, our group was in charge of Spin Art. Anaya Crenshaw loved to eat the food, Jasmine Medhurst tied the knot at the marriage booth and we welcomed Danielle Rappolt who loved her very first day at camp going around to all of the different activities at Carnival.

Sarah Zins loves running around camp, never ever losing her Energizer bunny energy we all love. Yeongyu Yi loved going to the Arts and Crafts electives and showing off her talents. Cristina Cruz loved our river tubing trip on Thursday. We went to the Delaware River and all had a blast in the sun. Both Carla Evans and Stephanie Atzingen were super excited to show off their crazy hair styles they have ready for us. The girls and I are having such an amazing time we don't want the summer to end. Week 8 is next week and I will miss all of my girls, it was such a pleasure having all of you in my group and I hope to see you all next year! Love you all!!!!

BKF's Rocking Week 7

BKF has had another SUN-sational week of camp. Carnival was our group's favorite day and a great lasting memory for them. We had fun bouncing and eating our way through the camp, Our group loved all the games and their smiles never left their faces. All our boys were all-stars at the Kiddie Kingdom show, "Pumping Up the Party" with family and friends. Sam Kaplan was a pro at Tennis and Soccer. He is really a super star athlete and loves to show his counselors all his skills. Sascha Zidarov was a master chef in Baking and Cooking. We guarantee you will be seeing him on Top Chef.

Josh Ellis loves to show off his basketball skills whenever he can. He is destined for the NBA. He also climbs all over the Playground especially the Rock Wall. Leo Hill loves the drills at soccer. He has the dream of being of being a key player in the World Cup Soccer tournament. Eric Schteyman is always looking forward to Swim and enjoys making new crafts in Arts and Crafts. He is mistaken for a fish when we look in the swimming pool. We are looking forward to another great week and making more memories to put smiles on our campers faces.

MUSIC

Music has been a blast! We've been playing fun games like "Name that Tune," and "Encore." We've also been learning about notes and rhythms by clapping and singing along. Campers even got to make up their own rhythms and write some of them on the white board.

Some groups played musical hula hoops and freeze dance, too! Middle camp got to listen to some of the "kings" and "queens" of music, like Michael Jackson and Aretha Franklin, and learn why they are important today. We've got one more exciting musical week, and I can't wait for more fun activities!
