"Watch your children soar"

February 2016

## From the Directors:

Can you believe that it's already February? **There are only 128 days until camp** and we're busy preparing for another amazing summer. While you're at school or work, the ELDC office staff is getting ready for our first day of camp. What's going on? Let's keep reading and find out...

**We evaluate and modify our program** every year so that we can offer the newest and coolest activities for our campers. We listen to feedback from our campers, parents and staff and design lesson plans to make their requests a reality. We recently updated our curriculum and next month we begin ordering supplies. Last week we met with representatives from three different Arts and Crafts companies and they showed us their newest project ideas for 2016. **We always provide the latest and greatest activities** and this

summer we have over 100 different projects for our campers! This past January set new enrollment records for ELDC. Lots of new and returning campers signed up to experience an Eagle's Landing summer. **It's hard to believe that we're already approaching capacity for this year!** Many age groups are closing soon so let your friends know if they're not enrolled yet! If you have any grouping requests that you haven't yet shared with us, please complete the **Group Requests Form**. You can find it in the Forms section of your online CampInTouch account.

Our Drama Shows for this summer are the latest buzz around town. We've already received emails from campers telling us that they're VERY excited! Devin, our Drama Coordinator, wrote an original play for grades 3-4 and will schedule auditions during the week before camp so everyone can participate.

**Grades 5-8: "High School Musical Jr."**  
**Grades 3-4: "Elementary Blues"**

Watch out world because the Eagle's Landing players are coming to town! This year we'll continue the tradition of shows for our younger campers in grades Kiddie Kingdom, 1 and 2. The lower camp show will be on August 11 and more details will follow.

The 2016 Eagle's Landing Summer Calendar is ready and you're one of the first to see it (it was leaked via

social media to our Instagram followers first so watch us on social media for the latest news!) Every summer we create a theme for our incredible 39 days of fun and this year is no different. **2016 is The Summer to Inspire!** We believe that every day at camp is amazing and that ELDC helps create special memories to remember all year long. Take a look inside and see for yourself!

Many of our families already follow us on Facebook (FB.com/EaglesLandingDayCamp), Pinterest, Instagram & Twitter (@EaglesLandingDC). The latest camp news is always posted online so "like us" on Facebook and watch for the latest contests and updates.

We want to extend a warm welcome to our new camp families. We're thrilled that you're now a part of our family! **Over 87% of our families return each year** and that's a huge compliment to our staff who care for your children in the summer. As Directors, we realize that we're only as good as the people who work with us and that's why we have the best staff in the world of camping!

As always, please reach out to us with any questions you may have at 732-821-9155. We're at camp every day and we'd love for you to visit. **Stay warm and think summer!**

- Ruth Ann and Barry
