"Summer to Inspire"

Week 3

ANOTHER SUPER SILLY INSPIRATIONAL WEEK!

Camp is in full swing and everyone is having such a wonderful time. Everyone from campers to staff are having a fantastic summer here at Eagle's Landing!

Monday everyone kicked off the week by showing their silly side with some wacky hairdos!

Tuesday everyone enjoyed the much anticipated **TACO TUESDAY!** Campers and staff ate delicious chicken tacos! Some of our really inspirational campers and staff dressed up for the occasion.

On Wednesday campers stayed cool with our Special Day, **WACKY WATER DAY!** Campers enjoyed many fun filled activities.

Thursday, everyone came inspired by their favorite Era for our **THROWBACK THURSDAY!**

You may have heard that we cover a lot of ground running back and forth here at camp each day. You may have also heard that we're always looking for ways to take the ordinary and make it extraordinary. Put the two together and you get **Silly Sock Day!** Campers and staff added a little pizzazz to Friday with their crazy and amazing combinations of socks. It was awesome seeing all of the colorful and funny socks on our campers feet!

This week in Tribes, some of the activities campers participated in were: a Clothing Relay, Band-Aid Tag, a Hula-hoop Contest, Treasure Hunters, Poodle Noodle Ring Toss, Corner Ball and Keeper of the Castle. Everyone cheered their team as they watched. Congratulations to the winners, the **ELDINGS**, for the second straight week! Let the competition continue. Looking forward to another fantastic week.

Special Events

This week's Special Day was Wacky Water Day! The day started off with a visit from the South Brunswick Fire Department spraying the campers with their hose. This is a super special day every year for campers because all activities involve water and they get to stay in their bathing suits all morning. Kiddie Kingdom campers made a Rainbow Fish Craft using celery as a stamp for fish scales, did a Sponge Squeeze Relay where everyone got wet and had a blast at the Spray Park Dance Party. First and Second grade campers made a Paper Plate Octopus by stringing colored pasta on its tentacles, played Bucket Brigade where they had to pass a bucket with holes to each other, and they loved the Car Wash. Third through fifth grade campers played The Great T-Shirt Escape where they had to thaw a frozen t-shirt, made Egg Carton Sea Creatures, and they loved the Giant Water Slide. During Wacky Water day there was also a giant float in the slide pool and campers got to play games during Swim! Wacky Water Day is definitely a camp favorite and we can't wait to do it again next year! **Next week's Special Day is "Giving Thanks" in July. Please bring in canned food to donate to a local food bank.** Thank you.

ARTS & CRAFTS

This week has been incredible in Arts & Crafts. We have been doing a lot of string art such as string dolls, tassel necklaces and arm knitted scarves. We have also been busy creating masterpieces from recycled objects found around home and camp. The campers have all been a pleasure to have around.

~Jamie, Arts & Crafts Coordinator

7th & 8th GRADE BOYS & GIRLS

The 7/8 grade boys and girls have had three weeks of fun filled activities. They are having the best time of their lives. The campers are excited each day to participate in electives and always look forward to the trips. We started the summer off with a wild and wet trip to Sahara Sam's where we were able to cool off from the heat. On Friday, the 8th grade had a spooky time at Monster Mini Golf. In week 2 we ventured off to Jenkinson's Beach and all campers had fun frolicking on the beach and enjoyed the boardwalk games. The 8th grade had a blast at the Silver Ball Museum on Friday. This week we were off to Air Trampoline on Wednesday and the 8th grade enjoyed a great day Canoeing on Friday. There are so many more exciting things for us in the coming weeks, so stay tuned. We can't wait to continue our summer of INSPIRATION!!

~Sue, 7/8 Division Leader

Music Mania!

We have been making such beautiful music so far this summer! Our first week was all about exploring the different instruments, their sounds and the rhythms we could make with them. Older campers had the opportunity to rewrite the lyrics to some of their favorite songs, making them their own. The second week of camp was spent being silly and expressive with our body movement. Whether it was Head, Shoulders, Knees and Toes or The Hokey Pokey, we were giggling as we sang. This past week, we learned songs all about different sea creatures. It was an ocean-tastic time! I look forward to many more marvelous melodies that will make this summer magically musical!

~Jenn, Music Coordinator

3RD & 4TH GRADE BOYS & GIRLS

The Third and Fourth Grade Division has had an amazing first 3 weeks of camp! The boys and girls enjoyed their first overnights, when they got extra swim, games on the field, an extra bedtime snack and a movie. The campers made a splash on Wacky Water Day, enjoying water games, water relays and water floats and slides. We are having such fun getting to know each camper and seeing their smiling faces every day. Please help us keep lost and found to a minimum by labeling all clothing and towels with campers' first and last names. We are looking forward to 5 more weeks of the summer to inspire!!

Fitness Fun

The first three weeks of Fitness have been filled with lots of sunshine, physical challenges, hula hoops and smiles! Zumba has been rocking the dance bunk and we made up some of our own funky moves. Campers in Yoga have been learning a relaxing way to build strength; experimenting with flow through nature and animal-themes. More fitness fun was had with a hula hoop inspired cardio and core strength workout. Finally, the boys in 1st and 2nd grade have been fast and furious during Ninja Warrior courses, dodging water obstacles and diving through hoops! More fitness fun to come in the weeks ahead!

~Noel, Fitness Coordinator

COOKING CORNER

CRESCENT MUMMY DOGS

Ingredients:

- 1 can (8 oz) Pillsbury Refrigerated Crescent Dinner rolls or 1 can (8 oz) Pillsbury Refrigerated Crescent Dough Sheet
- 2 1/2 slices American cheese, quartered (2.5 oz)
- 10 large hot dogs
- Cooking spray
- Mustard or ketchup, if desired

Directions:

1. Heat oven to 375°F.
2. If using crescent rolls: Unroll dough; separate at perforations, creating 4 rectangles. Press perforations to seal. If using dough sheet: Unroll dough; cut into 4 rectangles.
3. With knife or kitchen scissors, cut each rectangle lengthwise into 10 pieces, making a total of 40 pieces of dough. Slice cheese slices into quarters.
4. Wrap 4 pieces of dough around each hot dog and 1/4 slice of cheese to look like "bandages," stretching dough slightly to completely cover hot dog. About 1/2 inch from one end of each hot dog, separate "bandages" so hot dog shows through for "face." On ungreased large cookie sheet, place wrapped hot dogs (cheese side down); spray dough lightly with cooking spray.
5. Bake 13 to 17 minutes or until dough is light golden brown and hot dogs are hot. With mustard, draw features on "face."

Street Hockey

Hockey has been a blast these past few weeks! We have gone over many of the fundamentals like sick handling, passing and receiving a puck. The kids love to hit the back of the net using the different shots that we worked on including the wrist shot, back hand, and slap shot. At the end of each session, we practice the skills we learn in a 5 v 5 scrimmage.

~Andrew, Sports Instructor

B8B UNSTOPPABLE

The boys in B8B continue to make camp fun and very tiring for me! Kevin Ernst took a leap and decided to vary the electives he participated in; he went to Cooking and enjoyed it. Caden Gioffre cooled off in the Pool after running around in the sun. Jaden Hecht was one of the many kids that beat me in Tetherball, then Jaden went to the pool to cool off during Free Swim. Tyler Hoffman and Zach Lacerte showed off their athletic ability by dodging, catching and throwing balls in many games of prison ball. Justin Levas started off the week having fun at Ga-Ga and showing his goofy side! Jeremy Oliver dominated in Football this week throwing two touchdowns and keeping up with Xavier, one of the counselors. Brandon Ruoff loves to play Tetherball, so I decided to challenge him in a couple games. Unfortunately, I lost 6 straight games. Tyler Sommer was the first camper to play me in tetherball; we played 4 games and he won 3 of them. He also showed his athletic ability facing off against Josh Stein in Tennis Baseball. They both hit dingers all the way to Archery allowing them to score for their teams. Shane Steinberg has the capability to play and do well in everything; he went from playing Knock-out, to playing other campers in tetherball, to playing tennis baseball. Rhys Vella showed off his shooting skills in basketball, playing knock-out and around the world with me. He also took down Kyle, one of the counselors, in Pong pong! B8B is having a great time showing that they have endless amounts of energy.

ROCKETRY

Eagle's Landing rocketeers have started the summer off with a blast. We started the summer off by building a new launcher which will allow for simultaneous launches. Nick and I can't decide which the campers enjoy more, launching or chasing the rockets as they tumble back to Earth. Our rocketry program could really be called flight. The reason being is that we not only build model rockets but also air rockets and water rockets. We have also tried kite flying. If it can fly through the air we'd like to try it. It's a pleasure to see campers develop their skills in rocket building. We know the rocketeers are improving because we have had a record flight like this summer of 1067 feet, with a B size engine. During the rest of the summer look for rubber band airplanes called Squirrels, White Wings and Aqua Pods.

~Dave, Rocketry Coordinator & Nick, Instructor
