"Summer to Inspire"

Week 4

CAN YOU BELIEVE IT'S ALREADY THE END OF WEEK 4?

It's hard to believe week 4 has come to an end. The summer is flying by so fast! Campers kicked off the week with **MUSTACHE MONDAY**. Everyone came to camp with silly mustaches.

On Tuesday, campers showed off their ELDC pride by wearing camp t-shirts and spirtwear for **T-SHIRT DAY**. The girls of 7/8 had a blast at their overnight and wowed their friends with their amazing acts at the Talent Show.

As a nurturing camp community we all came together Wednesday for a camp-wide food drive on our **GIVING THANKS IN JULY DAY**. ELDC raised over 2000 cans for the South Brunswick Food Pantry and Rise of East Windsor. Job well done EVERYONE! The first & second grades collected the most canned goods and toiletries. The 1/2 division can look forward to an ice cream party! Thank you ELDC families for your generous donations to families in need! Also, Wednesday morning lower and middle camp participated in Thanksgiving themed activities. Upper camp ventured to a Trenton Thunder Baseball game. Campers watched an exciting victory over the Portland Sea Dogs when Trenton Thunder won 7-4. Highlights included the fun activities after each inning and campers being featured on the Jumbotron. What minor league fun!! Lits/ Cits ended the day with Stay Late festivities, including Trust Circles!

Thursday was **TOP SHOT DAY**. Campers competed in fun friendly competitions around camp. And in honor of the day, ELDC started a new tradition that will be carried into the future, a Book of Records for all the records set throughout the summer. Some examples: longest time hula hooping, most free throws in a row, most bulls eyes, fastest time to make a friendship bracelet. Thursday night ended with some Boys 7/8 overnight fun.

Today during **WHEN I GROW UP DAY**, campers and staff came dressed as inspirational role models. I saw a fashion designer, law enforcement officials, super heroes, some Jordans and Julies, favorite counselors and more. Campers had so much fun!

This week in Tribes groups participated in some of the following activities: What's the Time Mr. Wolf, Treasure Hunt, Keep it Up, Breakfast Scramble and Hula Hoop Tic-Tac-Toe. This week's Tribe Winners were the Delcans! Congratulation. Let the friendly competition continue. Looking forward to another exciting week ahead.

Fifth and Sixth Grade- Having a Super Summer!

The summer of 2016 is off to an amazing start for the fifth and sixth graders. Our campers are having a great time making new friends and having fun all over camp. Our Tribes activities have been a fantastic way to enjoy some friendly competition. Everyone has been involved and doing their best to help their team earn points. There have been plenty of opportunities to get in the water, especially on the really hot days. Campers are also looking forward to head to their electives each day. Having the opportunity to visit your favorite courses makes the week fly by. We also had a great time at the first overnights of the summer. It was awesome to hang out late with friends and have the whole camp to ourselves!

In fifth grade, the special days have been spectacular. Campers really enjoyed the variety of different activities they participated in so far. Some highlights have been the ice sculptor during Winter Wonderland and the giant water slide for Wacky Water Day. Our sixth graders are making the most of the trips program. Sahara Sam's and Jenkinson's gave us another chance to get in the water and have fun. Last week, Air Trampoline had campers bouncing all over and tiring themselves out. This week's trip to see the Trenton Thunder allowed us to kick back, relax and take in a ballgame. We can't believe that summer is half over, but can't wait to see what the next four weeks have in store!

Tablets

With camp almost half over, the fun that young campers are having at Tablets is no where near over. With such a huge variety of games, everyone in the room could be playing something different at all times. For the boys, popular games such as Temple Run, Subway Surfers, and Where's My Water? have reigned most popular. For the girls, although many do indulge in the previously mentioned games, other games that involve fashion and "dress-up" have also been a staple. Kids discover new games everyday, so I'm sure there will never be a dull moment here at Tablets.

Almost Show Time...

Rehearsal for shows have been excellent thus far,
All of your children should be singing in the car.
The lower camp dance show is approaching fast,
The boys and girls make an amazing cast.
The 3/4 show is about Eagle's Prep Elementary School,
And how a new girl comes in and everybody thinks she's cool.
There are some mean girls, but aren't there always
The students even play the floor is lava in the hallways.
Upper camp is presenting High School Musical this summer,
Make sure to come out and see it otherwise that's a bummer.
I have electives this year, and we have been doing a lot,
Making commercials, music videos and auditioning for their big shot.
I do hope you come out for the shows in **Week 8**,
Come relax and enjoy yourself and please bring a date!
