"Summer to Inspire"

Week 6

The Fun Never Ends at Eagle's Landing Day Camp

It is hard to believe we only have two more inspirational weeks left of camp. We've had such a great summer here at Eagle's Landing and we still have a plenty of action planned for our last two weeks.

Monday was **Change 4 Change Day**. Campers and staff joined our CITs to help raise money for a camp family who recently had significant loss from a house fire. Thanks to the generosity of our ELDC families, we raised over \$2,100 through the time of this publication. (More money to be counted end of day Friday). Also, we will add to those proceeds to the money that CITs will raise on August 12th, with our Parents' Night Out event. (See Ad inside for more details). Thank you everyone for your contributions! After a great day, everyone came back for Family Fun Night for fun activities and special 2017 rates! It was wonderful to see so many camp families come join us for BBQ, swimming and camp activities.

Tuesday was our day of **Go-Go Tournaments**. It was so successful we extended it beyond Tuesday. Campers competed within their divisions for one boy and girl winner for each division. Winners will proudly be displayed on a plaque that will hang at camp. Winners will be included in next week's newsletter. Later Tuesday, Boys 5/6 stayed for their second overnight of the summer. They played Prison Ball, Tennis Baseball, S'mores, Volleyball and enjoyed a yummy pasta & meat sauce dinner.

Wednesday was **Medieval Day**. Campers had a blast with all the morning activities. In particular, campers loved playing Human Chess and decorating sugar cookie "shields" in Baking. Meanwhile, all of upper camp ventured to Sandy Hook for beach fun.

Thursday was our **Swim Meet vs. Black Bear**. Campers swam their hearts out to victory against Black Bear. Everyone had a lot of fun participating. Congratulations! Girls 5/6 stayed for their second overnight of the summer. Highlights included: a fun kickball game with Robyn, DDR, yummy ice cream, and "Spy Kids".

Friday ELDC was **Under the Sea Day**. Campers came dressed like our sea friends and we had an entertaining Under the Sea Morning Gathering performance by the LITs and their counselors. Grade 8 ventured out for a Hibachi lunch.

This week in Tribe's campers competed in Alphabet Bingo, Spaghetti Relay, Cage Ball, Brew Ha Ha, and other fun activities. The Tribal Winners this week were the Eldings. Congratulations may the fun competitions continue next week.

Don't forget Carnival is next week! Please note that the visiting hours have changed for Wednesday. You may visit the camp from 9:30 am - 12:00 pm. Have a wonderful weekend and we can't wait to see you next week.

1st & 2nd Grade is Rockin' and Rollin'!

The 1st and 2nd graders are having an amazing summer! Campers are making tons of new friends and having an awesome time with their counselors. In Division Leader time, we love getting to know campers more and see where their creativity takes them through things like our nature walks, tag games and card making. The campers are also getting ready for their show, "Hollywood Review". The show is Thursday, August 11th at 11:45am. Each grade is assigned a dance to a famous movie or television show song. Everyone has been working so hard and we cannot wait to see them perform like the stars they are. Monday, August 8th is the first grade breakfast and the second grade stay late. First grade campers are encouraged to come in their pajamas and enjoy various breakfast treats. Second graders will stay until 7:45 that evening, enjoying an extra swim, dinner, a fun activity and much more!

As a friendly reminder please remember to continue to pack two bathing suits and towels for each camp day. Also, please check to see if they need any additional sunscreen. We do reapply often throughout the day, especially on those very hot days. We cannot wait to meet everyone during our Lower Camp Shows on August 11th! As always, if you ever need us please do not hesitate to call. We cannot wait to see what the rest of the summer has in store for us! Thank you for an inspiring summer!

Swim Champions of ELDC!

We have had a great first six weeks up at the Pools! This week we had our annual swim meet and we did great! Our swimmers showcased their speed and their skills as we competed against Black Bear. Congratulations to all of our campers who front crawled, breast stroked, butterflyed and backstroked their way to VICTORY! The final score was Eagle's Landing 137 to 124 for Black Bear. We are so proud of our campers, as they swam their hearts out! It is great to see all of the progress our campers have made so far this summer and that progress was evident during our meet! We are looking forward to a swimtastic last two weeks up at the Pools and we are super excited to see how much more progress our campers can make!

STEM

Wow! Week six of camp! Time flies when you're having fun as they say. During week five, campers tried their hands at many exciting STEM activities. Third graders started a two week team project of creating a bridge out of newspaper, popsicle sticks, tape and a few other materials. Fourth graders got to experiment with creating a structure out Jell-O, toothpicks and marshmallows...the goal was to see if it could survive an earthquake(shaking it)! The fifth graders worked together to see if they could get golf balls to float using different ingredients, such as, scrub as salt, flour and ice! During the 3/4 Elective groups worked to create their very own camouflaged butterflies. They did such a great job and some butterflies might still be outside right now! The 5/6 Elective groups created their very own scribble machine using cups, batteries, markers and a vibrating motor. The 7/8 Elective created a Matching Game that incorporated an electrical circuit!

Every week brings something new and week six was no exception. Grade four boys and girls created straw boats out of straws, plates, cups and paper! The grade five boys and girls got to see how sight, smell and taste are connected in the Yummy In My Tummy activity....apples, pears, tomatoes and many more! Campers have enjoyed the Zip Line all summer. During week six, the 3/4 Elective group got to create their own Zip Line carts! The 5/6 Elective group got to try their hand at the Matching Game, while 7/8 Elective created their own mini fooseball game!

What to expect for week seven: sock bubbles, propeller cars, cup drop, air cars, activities that touch upon genetics and crime scene investigating!
