"Summer to Inspire"

Week 7

Another Fabulous Week of Fun in the Sun

The much anticipated week seven is behind us. Monday we kicked off Week 7 with the **1ST GRADE BREAKFAST** and **2ND GRADE STAY LATE**. Our campers going into 1st grade this year enjoyed a special breakfast just for them served under the blue and white tent. Campers enjoyed bagels, cereal, french toast sticks and more. It was nice for campers to spend some quality time with their friends talking and laughing. Campers going into 2nd grade this year were really excited to stay at camp after everyone left. They swam, played games and ended the night with a sing-a-long and s'mores.

On **Team Tuesday**, everyone came to camp supporting their favorite team! Tons of spirit around ELDC for Team USA, Yankees, Mets, Devils, Rangers, Giants and the Scarlet Knights. Even I came to camp supporting my soccer star on Team Santos. Boys 7/8 had their second overnight. They played Capture the Flag, Prison Ball, made sundaes, and watched the movie "Home".

After waiting an entire year, because carnival is that much fun, campers had a blast at ELDC's fourth **CAMP CARNIVAL**. Kids loved the rides, games, and special treats. Some favorites among the campers were the Train, Marriage Booth, Lollipop tree. Later in the day LITs and CITs stayed late for more camp fun, playing Manhunt, Prison Ball, Ga-Ga.

Thursday was our Lower Camp Shows. Kiddie Kingdom was singing and dancing as they performed in **"I FEEL BETTER WHEN I'M DANCIN'**. Campers had fun performing in **1/2 TV & Hollywood Review**. Hats off to all performers. You inspired us all with your display of talent. Later in the evening 7/8 girls stayed for the second overnight of the summer. They had a fun Scavenger Hunt, made sundaes, watched Princess Diaries 1&2.

Today campers came decked out for **SCHOOL SPIRIT DAY!** Go Bears! Go Blue Hens! Go Scarlet Knights. Unfortunately, school will be here real soon.

This week in Tribes, campers competed in some of the following activities: Mummy Wrap, Camper Curling, Giant Cup Stacking, Freeze Tag and Tic Tac Tongue. The Delcans were victorious this week! Congratulations. Only one more week of Tribal fun!

As next week is our last week, a special thank you to all the counselors, division leaders, specialists, office staff, Shira, Ruth Ann, Barry, Alyssa, Brian and everyone else who helped put together The Golden Eagle each week. Thank you Ilyse for always pitching in and helping to edit in time for Friday publication and thank you Elyssa for taking just the right photos to compliment our articles.

Looking forward to Week 8 and making more memories that will carry us until next summer.

Special Events

This week's Special Day was **Carnival!** The long awaited day had finally arrived! Every camper had the privilege of being involved in this awesome day. Groups in third grade and up were each responsible for a carnival booth. Some booths found around camp were: Ring Toss, Duck Pond, Krazy Cans, Giant Connect Four, Jellybean Count, Lollipop Tree, Giant KerPlunk, Spill the Milk, Pipe Ball, Dunk Tank, Spin Art, Giant Jenga and the Color Wheel. Camper's favorite booths included Face Painting, Air Brush Tattoos and the Marriage Booth. Not only did campers get to visit booths while walking around camp but they also were able to go on rides. There were special rides for different age groups. Lower Camp enjoyed the Chuggy Choo Choo, Trackless Train and Carousel Bounce. The older campers enjoyed the Vertical Rush Slide and the Hippo Chow Down. Campers also had the chance to stop by the blue and white tent and grab a special treat. They had the choice of slushies, popcorn, cotton candy and ice cream. Carnival is always fun but it also means that camp is coming to an end. Next week's Special Day is Drama Shows! Break a Leg to all the performers! We can't wait to see the amazing shows!

MORE FITNESS FUN

Fitness was more fun than ever with a sport fitness inspired Scavenger Hunt that had campers using their bodies and their brains to race to the finish. Yoga mixed it up with a Ping-Pong bounce to pick poses in a random order. We also challenged each other with some Freeze Dancing by freezing into Yoga poses without using the same pose twice. Campers in Yoga also concentrated on core work; we noticed how muscles respond when we hold a medicine ball and finished with medicine ball hot potato! In Zumba and Dance Fitness we warmed up to "Geronimo", sweated it out with "Cotton-Eyed Joe" and brought it up to 2016 with "Hit the Quan". We also kicked it up with some fancy foreign footwork to bagpipes and drums with a Scottish Highlands dance. It was obstacles, obstacles and more obstacles for American Ninja Warrior! We tried a more challenging Playground course, raced to the finish with some whistle drills and rocked a running course with imaginary water obstacles to jump over. The boys also enjoyed getting Ninja names and using the silly sound machine to signal their arrival at the finish line. Camp has been a blast so far in Fitness!

7th & 8th GRADE BOYS AND GIRLS

As we approach week 8 of camp, we can begin to look back at all of the fun we have had together and look forward to one more week of camp to round out the summer. We traveled to Trenton to watch the Trenton Thunder baseball team pull out a victory. Our campers were excited to travel into New York City to experience the fastest speedboat on the east coast, "The Beast". Everyone enjoyed the wet and thrilling ride as they were able to see such landmarks as the Statue of Liberty and the Freedom Tower up close. Our trip to Sandy Hook was a success as always. The campers love to hang out on the beach and enjoy jumping the waves in the ocean. The 8th grade really enjoyed their trip to eat Japanese Hibachi food and are looking forward to returning to Jenkinson's beach all by themselves during week 8.

Week 7 has been the best week of all, starting with Team Tuesday, where everyone showed off their favorite teams and ended with the boys overnight. Carnival finally arrived on Wednesday and we all had a blast playing all the games and eating popcorn, cotton candy and quenching our thirst with delicious slushies. On Thursday, we went to Branchburg Sports, which is everyone's favorite trip. We were able to play indoor Ga-Ga and Laser Tag. The day ended with the girls overnight.

Of course, we cannot forget about a new ELDC tradition introduced this summer...TRIBAL GAMES. Throughout the summer our campers have competed each week in these games. Each week a tribal winner was determined and now we are anxiously anticipating the final competition to take place on Tribal Day during week 8. We can't wait to see what Tribe will triumph to become the overall winner for the summer of INSPIRATION!!

We Sing, We Dance, We Write Songs...

It is hard to believe that summer is almost at its end. It has been such a joy singing and being silly with all of these wonderful campers. Over the last few weeks in Music, we have been learning some new songs about sea life, dragons and llamas, which you may be hearing on repeat at home! Music time has also been spent working on understanding and playing rhythms using percussion instruments. Musical charades was a lot of fun! Upper grade campers have been learning to write their own songs by using familiar tunes and changing the lyrics to match the syllables of the original lyrics. This week, we became bilingual, learning some of our old songs in Spanish and French! As we finish out the summer, we will enjoy some of our favorites with "Request Week"! It has been a truly wonderful summer!
