

THE GOLDEN EAGLE

Volume 5

"Summer of FUN-nominal"

Pre-Camp 2017

From the Directors:

HOORAY! School is ending and that means camp starts soon! This is the last newsletter before camp begins. The camp staff is so excited that Ruth Ann has been seen doing cartwheels through the office while Soarin' Sammy zips down the zip line. The staff is hired, the pools are clear blue, the food has been delivered and supplies are on the shelves waiting for campers to arrive. Our beautiful camp grounds and our innovative program shine as bright as our amazing Eagle's Landing staff. Why are they so amazing you ask? Whether they are new or returning, each staff member goes through 40+ hours of orientation and training. Division Leaders and Specialty Coordinators meet with their staff to review policies, procedures and lesson plans that are unique to their campers' age group or area of instruction. Even our swim staff, kitchen staff and bus drivers have their own orientations! All these efforts are in place so that on June 26, when you put your camper on the bus or drop them off at camp, you can rest assured that they will be cared for by the best staff in the industry! Whether your child is a first time camper or a camping veteran, they will be welcomed with bright smiles and an exciting summer schedule of events and activities.

The summer of 2017 is the Summer of FUN-nominal. We thank you for choosing to share your summer with us! We are super excited and can't wait to see you!
