"Summer of FUN-nominal"

Week 7

Another FUN-NOMINAL week of Fun in the Sun!

The much anticipated week seven is behind us. Monday we kicked off the week with the **1ST GRADE BREAKFAST** and **2ND GRADE STAY LATE**. Our campers going into first grade enjoyed a special breakfast just for them. It was nice for campers to spend some quality time with their friends, talking and laughing. Campers going into second grade were really excited to stay at camp after everyone left. Everyone had a wonderful time.

On **Look Alike Day** everyone came to camp matching someone else. It was so much fun to see all of the matching outfits and even hairstyles!

After waiting an entire year (because carnival is that much fun) campers had a blast at ELDC's **CARNIVAL**. We all loved the rides, games and special treats. Some favorites among the campers were the Trackless Train, Marriage Booth and Lollipop Tree. Later in the day was the **LIT AND CIT STAY LATE**. They were excited to stay at camp for more fun such as Camp Midnight Madness, Free Swim and Capture the Flag.

Thursday was our **LOWER CAMP SHOWS**. Kiddie Kingdom was singing and dancing as they performed in **MUSIC OF THE SEASONS**. First and second graders had fun performing in **Music Through the Decades**. Hats off to all performers. You inspired us all with your display of talent!

On Friday campers came decked out for **VACATION T-SHIRT DAY!** It was awesome to see all of the places everyone has traveled to!

This week in **Tribes** campers played some awesome games. Girls in seventh and eighth grade played Coke and Pepsi. Girls in third and fourth grade played Giant Jenga. Boys in fifth grade played a mix of Corner Ball and Crab Soccer. The winner this week was the **Ladings!** The competition continues for week eight!

As next week is our last week, a special thank you to all the counselors, division leaders, specialists, office staff, Ruth Ann, Barry, Alyssa, Brian and Shira and everyone else who helped put together The Golden Eagle each week. Thank you Ilyse for always helping to edit the newsletter and thank you Lee for taking amazing photos each week!

We are all looking forward to week eight and making more memories that will carry us until next summer.
