Homemade Soft Pretzels

You never outgrow the shaping and fun of baking pretzel dough! Check out this recipe and see for yourself!

Ingredients:

- 1 and 1/2 cups (360ml) warm water
- 1 packet active dry or instant yeast (2 and 1/4 teaspoons)
- 1 teaspoon salt
- 1 Tablespoon (8g) granulated sugar
- 4 cups all-purpose flour + more for work surface (or mix of whole wheat flour and all-purpose flour)
- 1 large egg, beaten
- Coarse sea salt for sprinkling

Directions:

1. Preheat oven to 425°F. Line baking sheet with parchment paper or silicone baking mat. Set aside.
2. Dissolve yeast in warm water. Stir with a spoon until fairly mixed, about 1 minute. Some clusters of yeast will remain. Add salt and sugar; stir until fairly combined. Slowly add 3 cups of flour, 1 cup at a time. Mix with a wooden spoon until dough is thick. Add 3/4 cup more flour until the dough is no longer sticky. If it is still sticky, add up to 1/2 cup more. Poke the dough with your finger - if it bounces back, it is ready to knead.
3. Turn the dough out onto a floured surface. Knead the dough for about 3 minutes and shape into a ball. With a sharp knife, cut ball of dough into 1/3 cup sections. This measurement does not have to be exact - use as much or little dough for each pretzel as you wish - the size of the pretzel is completely up to you.
4. Roll the dough into a rope with an even diameter. My ropes were twenty inches long. This measurement will depend how large you want the pretzels. Once you have your long rope, take the ends and draw them together so the dough forms a circle. Twist the ends, then bring them towards yourself and press them down into a pretzel shape.
5. In a small bowl, beat the egg and pour into a shallow bowl or pie dish. Dunk the shaped pretzel into the egg wash (both sides). Place on baking sheet and sprinkle with salt.
6. Bake for 10 minutes at 425 F degrees. Turn the oven to broil for 5 more minutes to brown the tops. Watch closely to avoid burning.
7. Allow to cool and enjoy. Serve warm or at room temperature. Pretzels may be stored in an airtight container or zipped top bag for up to 3 days (will lose softness).

ELDC campers kept the Tooth Fairy incredibly busy these past four weeks! The Wellness Center is excited to welcome the latest members to the Lost Tooth Club: Natalie Cioch; Emmie Fleming; Laney Kenwood; Zachary Levin; Glorianna Molinaro; Ryder Neubeck; Sydney Rajan; Amanda Seidler; Nehchal Singh; Ciara Van Ness; Sophia Vriesendorp; and Juliana Williams. They each received a "Tooth" necklace, a fashionable accessory that doubles as a storage unit for the tooth to be taken home, a tooth-shaped sticker in the camper's vibrant color of choice and an offer to have their picture taken for display on the Lost Tooth Club Wall of Fame. There were also a few other lucky campers who lost a tooth or had it pulled by our on-site, skilled tooth extractor Barry, but were camera-shy and opted to join the club anonymously. So, without further ado, please join us in wishing our new members to the Lost Tooth Club a big CONGRATULATIONS!
