"A One-of-a-KIND Summer"

Week 5

Week 5 was the Best

ONE-OF-A-KIND Week Yet!

It's hard to believe that we are approaching week 6 of camp! Wow! We can't believe how fast the summer is flying by. As they say, time flies when you're having fun!

Campers kicked off the week with **Mystery Bag Challenge**. They were asked to create something that reminded them about camp out of random materials that were placed in bags. Creativity was booming as we watched different areas be represented by funny objects. We also started our GaGa Madness Finals that continued through the week.

Tuesday was **FITNESS DAY!** Campers were bouncing around the camp in all different exercises and physical fitness games! They really worked up a sweat! 48 of our 6th, 7th, 8th, 9th and 10th graders also left for their 3-day trip to Washington DC. They were excited for their visit to the Air & Space Museum, Busch Gardens, a Moonlight & Memorials Tour and a trip to the National Zoo.

Wednesday's Special Day was **Double DARE**. Campers played physical challenges just like the TV show! What a great day!

Thursday was **TEAM THURSDAY!** Campers and staff were all dressed in their favorite teams shirts. Football, baseball, hockey and basketball t-shirts/jerseys were all represented.

On Friday, we were all excited for **GAGA MADNESS FINALS**. This game certainly is a camp favorite!

This week in **Tribes** some awesome games were played. Kiddie Kingdom, 1st graders and 2nd graders played Bandaid Tag. Third through eighth graders played Knockout. LITs and CITs played Win, Lose or Draw. The winner this week was the **Ladings!** The competition continues for week six! Here comes another *One-of-a-KIND* week at Eagle's Landing!

SPECIAL EVENTS

This week's Special Day was **Double Dare!** Campers participated in activities that were based off of the TV show's silly physical challenges. Campers had patiently waited five weeks for Double Dare and they were ecstatic when the day finally arrived. Kiddie Kingdom campers created Shaving Cream Art in Arts and Crafts, concocted **SHAVING CREAM PLAY DOUGH** in Mad Science and played with Giant Tangrams. First and second grade campers got messy with shaving cream in **SHAVE YOUR TOES**, got creative with Post-its in **FIND THE RIGHT FIT** and put together a pizza in **Pizza Toss**. Third through fifth grade campers had to throw plastic ants into clown pants in **Ants in your Pants**, they created a giant salad in **Salad to Go** and had to figure out how to mail letters while wearing oven mitts in **Mail Delivery**. Next week's Special Day is **BOOK BONANZA**. What's your favorite book?

LITs & CITs Give Back

The LITs and CITs cannot believe we are already at week 5! This *One-of-a-Kind* summer is truly moving faster than expected. Not only are LITs and CITs working hard in their groups and specialty areas here at camp, they are making their mark on our greater community. We have taken this year's theme to heart and between the LITs and CITs, we are busy spreading our kindness. The LITs are not letting this rain get to them and are using our inside time and creativity to make coloring books for the children's ward at a local hospital. They are also "planning" away with the hope of making at least 2 mats that can be used by a homeless shelter, while helping our environment as we recycle your used plastic shopping bags! The CITs are keeping up with the sharing kindness theme as they stuff backpacks for Operation Back Pack from thoughtful contributions that came from our ELDC families. The CITs have also made two partnerships this summer and will be making STEM boxes with the *Abuela Lucy Foundation* and Joy Boxes with *Open the Joy*. Thanks to the awesome ideas from camp parents, we have the opportunity to work with a variety of organizations this summer. We aren't sure where the time has gone, but this summer has been jam packed with many great memories and thoughtful experiences. We still have a few weeks to go, so help us on our mission to make this a *One-of-a-Kind* summer!

- Christina, LIT/CIT Division Leader
