"A One-of-a-KIND Summer"

Week 8

THANKS FOR A ONE-OF-A-KIND SUMMER!

It's hard to believe we've completed another summer! It seems like only yesterday when the buses were rolling in for the first day of camp. Some campers were a bit unsure on the first day but we knew they would soon be making new friends, learning new skills, trying new challenges and building self-esteem. In short, they would have a *One-of-a-KIND* summer at ELDC! People ask us all the time if we still love camp after all these years (this was Barry's 29th year as a Camp Director). The answer is a resounding YES! We love it all!

We've also enjoyed watching our staff, both new and returning, join together this season to help campers grow. We see professionalism in a Division Leader who takes the time to help a child feel comfortable and in the broad smile of a Counselor or Specialist proudly watching their camper tackle a new challenge.

We have a confession to make; we're sorry when the summer ends because we miss all of you during the year! So please visit us on our website and e-mail us to let us know what's happening in your lives. Send us pictures during the school year in your ELDC clothes and we'll post it on our Facebook page. Don't forget to tag us on Instagram and Twitter @eagleslandingdc. The winter can be mighty lonely without you and we look forward to the memories we still have to make. We wish each and every one of our staff and campers a wonderful year and can't wait to see you in 2019!

Cookies n' Cream Rice Krispies

A way to add variety to your rice krispy treats is add-ins. In this case, you would add Oreo cookies. Feel free to use other favorite cereals to create even more flavors.

Ingredients:

- 3 Tbsp. butter or margarine
- 1 pkg. (10 oz.) JET-PUFFED Marshmallows
- 5 cups KELLOGG'S® RICE KRISPIES® cereal
- 16 OREO Cookies, coarsely chopped, divided

Directions:

1. Microwave butter in large microwaveable bowl on HIGH 45 sec. or until melted. Add marshmallows; toss to coat. Microwave 1-1/2 min. or until marshmallows are completely melted and mixture is well blended, stirring after 45 sec.

2. Add cereal and 1 cup chopped cookies; mix well. Press onto bottom of 13x9-inch pan sprayed with cooking spray. Sprinkle with remaining chopped cookies; press lightly into cereal mixture to secure. Cool completely before cutting into squares.
