

# THE GOLDEN EAGLE

Volume 7

#ExperienceAmazing

April 2019

## From the Directors:

The weather is finally warm and camp is only 11 weeks away! Now that the ground has thawed, we're busy raking, seeding and painting so camp is ready for when the campers arrive on June 24 for **Pre-Camp** (more on that later). In a couple of weeks, our tents are going up and our supplies will start rolling in. Our staff meetings are already underway, and everyone is planning for our 2019 theme of **#ExperienceAmazing!**

The phones in our office have been ringing off the hook! Groups are filling and we are happy to announce that **we are currently 91% full for this summer!** We're excited to have so many new and returning families signed up for 2019. Every day we're evaluating our enrollment and determining which groups to close. If you know anyone who hasn't yet signed up for this summer, be sure to tell them to enroll before we start our waiting lists!

Please remember to log in to your CampMinder account and complete all of your camper forms as soon as possible. **Each form is key to ensure that we provide the safest and happiest summer for your child.** We read through every Camper Profile, Group Request and Health History Form so that we have the most current information on your child. If you have a group request for your camper that you didn't include in your Camper Application, we ask that you complete the Group Request Form in to your CampMinder account by April 20. **Please remember that without the Health History Form completed by May 1, we cannot allow your child to start camp.**

There are less than 82 days until camp and it will be here before you know it! Our Transportation Coordinator, Sharon, is **ready to close two of our bus routes.** If you have not yet signed up for transportation, please call the office today at 732-821-9155.

Get ready to pack your bag for camp! We can't wait to see you!

## WHAT?! You're adding a week of camp??

**You read that right!** Due to the limited use of school snow days this year, families have reached out to us asking for an extra pre-camp week for our 2019 camp season.

The week of June 24 - 28 is now open and available for all of our age groups. The pre-camp week includes supervision, lunch, snacks, swimming and all of our great camp activities! We do not offer transportation, but we do have early care and after care available. We are in the process of hiring staff for the week, so if you are interested in adding this week to your camp schedule, please contact the camp office by May 15 so we can be sure to save a spot for your child. The cost for the pre-camp week is \$400. More information is available in your CampMinder account.

## HEY! What's new for lunch?

Eagle's Landing is stepping up its camp game! We've hired an in-house professional chef to manage our food service. Anwar is already hard at work developing new recipes and menu ideas for this summer. Take a look at our 2019 menu and you'll see some of our new meals. We can't wait to try the Walking Tacos, Waffle Sticks, and our new Chicken Empanadas. We're also bringing back the very popular Meatball Hero!

In addition, our daily salad bar will now be featuring Farm-to-table (or in our case, Farm-to-camp) fresh vegetables and fruit. This change works alongside our continued diligence over food safety, while also helping our local farm economics. We've also changed our deli meat, and our sliced turkey will now be all kosher! We're adding more vegetarian and gluten-free options as well. Plain and simple, we're adding more healthy choices for our campers and staff.

By popular request, our DJ elective will return for this summer! Jon Hadad, our resident specialist, is the owner of City Sounds Entertainment, and his EXTREMELY popular DJ Class is an elective at Eagles Landing. Campers learn about the history of music, how to mix music, how to perform at parties, and microphone skills.

Outside of ELDC, Jon runs a successful DJ Entertainment Company with offices located in East Brunswick, Marlboro, and Fairfield, NJ. If you are planning a special occasion, give Jon a call at 732-761-0566 to help with all of your entertainment needs!
