cannoli Dip

INGREDIENTS:

- 1 cup ricotta
- 8 oz cream cheese room temperature
- 1 cup powdered sugar
- 1 tsp vanilla extract
- 2/3 cup mini chocolate chips
- Waffle cones broken

DIRECTIONS:

1. Using a stand mixer (or a hand mixer + large bowl), add in ricotta, cream cheese and powdered sugar on medium-high speed until smooth, about 3-5 minutes. Add in vanilla extract and whip for another 30 seconds.
2. Taste test the dip - if you'd like it sweeter, add more powdered sugar, about 2 tablespoons at a time. You can safely add up to another 1/2 cup of powdered sugar (8 tablespoons) without negatively impacting consistency.

Classic Chocolate Chip Cookies

Cookies and Brownies Week was a delicious success! We baked everything from classic chocolate chip cookies to decadent caramel pretzel blondies. Our personal favorite was the 3-layer brownies which are perfect for a nice summer BBQ! Enjoy!

INGREDIENTS:

- 1 cup (2 sticks) butter, softened
- 1 cup granulated sugar
- 3/4 cup light brown sugar
- 2 large eggs
- 1 Tablespoon pure vanilla extract
- 2 1/2 cups all-purpose flour
- 1 teaspoon baking soda
- 1 teaspoon salt
- 2 cups (12 ounces) chocolate chips

Oreo Layer

- 1 package Double Stuffed Oreos

Brownie Layer

- 1 Family Size (9×13) Brownie mix
- 1/4 cup hot fudge topping

INSTRUCTIONS:

FOR THE HOMEMADE COOKIE DOUGH

1. Beat the butter and both sugars in a large bowl with an electric mixer on medium speed for 3-5 minutes. Add the eggs and vanilla and mix well to thoroughly combine.
2. In a separate bowl, whisk together the flour, baking soda and salt. Add the dry ingredients into the mixer and beat on low speed until the flour is just combined. Stir in chocolate chips.

TO MAKE THE BROWNIES

1. Preheat oven to 350 degrees F. Line a 9×13 baking dish with foil and coat generously with nonstick cooking spray.
2. Flatten the cookie dough in the bottom of the prepared dish. Top with a layer of Oreos.
3. Mix together brownie mix, adding an optional 1/4 cup of hot fudge topping to the mix. Pour the brownie batter over the cookie dough and Oreos.
4. Cover with foil and bake at 350 degrees F for 30 minutes. Remove foil and continue baking for an additional 15-25 minutes. Let cool completely before cutting — brownies will still look gooey in the middle when warm, but will set up perfectly once cooled.
