So you can go out and play with no water in your ear
Remember your sunscreen every day
So you'll be safe when you go out to play.
Keep drinking water, don't forget the ice
So you'll stay cool and your day will be nice!
Always remember, we're here for you
To help you out with every boo-boo.

Congratulations to our newest members of the Lost Tooth Club- Lucas Casper, Adriana Lopez, Robert Macan, Gianna Molinaro, Emma Pais, Conor Polgar, River Russo and Juliana Williams!!

Ropes

What a wonderful week down at Ropes! Campers of all grades have built up their teamwork and communication skills. 1/2 graders practiced their balancing skills on our swinging log and 3-line elements. They are learning the importance of spotting one another. Our 4/5 grade girls are thriving at King's Finger! The girls have been able to demonstrate trust and teamwork at new levels and complete the activity in record time. Each week we still enjoy climbing up to the Zipline. Many campers from 3rd grade and up have gone a step further and tried the medium course on our three level Ropes course. Everyone continues to do a spectacular job at conquering their fears and racing down the Zipline. We can not wait to see what the campers have in store for us in the next few weeks!
