Week 6

## WEEK 6 WAS AMAZING!

It's hard to believe that camp has been in full swing for six weeks! How are there only two weeks of fun left?! The last two weeks of camp are sure to be the best ones yet. There's no doubt about it!

Campers kicked off the week with a **WATERMELON SEED SPITTING CONTEST**. Campers got to take a piece of watermelon, find the seed and then spit their seed to see how far the seed went. Campers wrote their name where their seed landed on a large brown sheet of paper. How far did you spit your watermelon seeds? On Monday evening, it was **Family Fun Night!** It was awesome to see our campers enjoying camp with their families!

Tuesday was **Egg Day**. Campers participated in egg races and built a fort around their egg in order to drop it from a high distance to see if the egg would crack.

Wednesday's Special Day was **HOLI-DAZE CRAZE!** Campers in each group celebrated different holidays with different activities.

On Thursday, counselors competed in **JELLO TUG-OF-WAR** where counselors competed in various tug of war challenges on a tarp with jello on it.

Friday was **VACATION T-SHIRT DAY!** We loved seeing all the places that our campers have visited around the world!

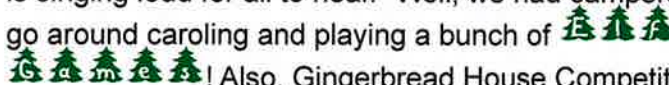

This week in **Tribes** campers played some awesome games. They love AirOSport! The winner is the **CAMPBELS!**

We can't wait for another **AMAZING** week at Eagle's Landing! Let's keep on dancing through the weeks!

Well, we had campers go around caroling and playing a bunch of ! Also, Gingerbread House Competitions took place and we got to see which group could make the best house! Jacob Buckwald dominated the GaGa tournament, winning 3 of 9 games! You can hear Hannah Cadoff's name from down the path, her campers are so happy because she is always engaged and friendly. Joseph Capodanno is enjoying the responsibility at Ropes and Go-Karts. He loves engaging with campers, helping specialists and learning the ins and outs of camp in a specialist role. Nicolas Colon was a great help with our Plarn (plastic yarn) Mat community service initiative; his speedy work helped us make more Plarn than we ever could've imagined! Carly Drobbin can always be found in the Pool with her girls and they make a splash every time! Caroline Kelly is not only good at unknitting plarn, but she can also undo any issues with her campers! You rock! Andrew Kenny is an awesome LIT and is always in the zone when he joins the boys of B5B. Michael Lopes really enjoys his group and is a very positive role model to the campers around him. Sarah Masiuk is spending her last week all hands on deck with her Kiddie Kingdom girls. Sarah has been a pleasure to have this summer, she is always smiling, always contributing and really making her campers' days that much better. We will miss her for sure! Jessica Miner is gearing up for her role as Duffy in Upper Camp's rendition of Annie Jr. and we can't wait to see her steal the show! Elyse Nadelman made special "Jamaican" friendship bead bracelets with her campers in the Art Too elective! Dylan Rakvica played Ping-pong, in an exciting game of "hand-pong." We'll see who wins next time! We welcomed Emma Regen back this week after a long hiatus, and she picked up right where she left off with her GKD girls. They're so glad to have her back! Ryan Klauber has been incredibly helpful with the Nature and Science tasks and helping Helene with fire pit food outdoors! Ryan Schreier and Ryan Schultz were both totally engaged with their 3rd and 4th graders and spent some time dominating the 2-on-2 ball every morning! This week has been nothing but fun!
