Week 8

## THANKS FOR AN INCREDIBLE SUMMER!

This summer was amazing! It seems like only yesterday when the vans were rolling in for the first day of camp. We stayed six feet apart and wore our masks. We all soon realized that we could have fun, make new friends and learn new skills. In short, we realized that we can **Eat, Camp, Sleep, Repeat** and our lives seemed back to our regular schedule. Ruth Ann, Hanna and I are excited that we are able to bring a bit of normalcy back into our campers' lives. We truly love what we do!

We've also enjoyed watching our staff, both new and returning, join together this season to help campers grow. We see professionalism in a Division Leader who takes the time to help a child feel comfortable and in the broad smile of a Counselor or Specialist proudly watching their camper tackle a new challenge.

We have a confession to make; we're sorry when the summer ends because we miss all of you during the year! So please visit us on our website and e-mail us to let us know what's happening in your lives. Send us pictures during the school year in your ELDC clothes and we'll post it on our Facebook page. Don't forget to tag us on Instagram and Twitter @eagleslandingdc. The winter can be mighty lonely without you and we look forward to the memories we still have to make. We wish each and every one of our staff and campers a wonderful year and can't wait to see you in 2021!

- Barry, Ruth Ann, and Hanna, Directors

## Cannoli Dip

### INGREDIENTS:

- 1 cup ricotta
- 8 oz cream cheese, room temperature
- 1 cup powdered sugar
- 1 tsp. vanilla extract
- 2/3 cup mini chocolate chips
- Waffle cones, broken up

### DIRECTIONS:

1. Using a stand or hand mixer and a large bowl, add in ricotta, cream cheese, and powdered sugar on medium-high speed until smooth, about 3-5 minutes. Add in vanilla extract and whip for another 30 seconds.
2. Taste test the dip - if you'd like it sweeter, add more powdered sugar, about 2 tablespoons at a time. You can safely add up to another 1/2 cup of powdered sugar (8 tablespoons) without negatively impacting consistency.

4. Serve dip immediately with broken waffle cones for dipping.
