#CampsOurHappyPlace

Week 3

Camp is Our Happy Place!
Week 3 was great!

We had a *camptastic* week! Eagle's Landing was buzzing with excitement as campers arrived on Monday wearing shirts that represented different schools. We saw Rutgers University, Boston University, University of Tennessee, NYU, Harvard University, Hammarskjold Middle School, Judd Elementary School, Frost Elementary School and so many others schools represented around camp. Tuesday was Earth Day, where we got to appreciate the beauty that surrounds us at camp and around the world. Our Special Day was filled with many animals as we celebrated "Welcome to the Jungle Day." On Thursday, campers and staff alike were seen dressed like various animals....if you can believe it - we saw a Flamingo, a Tiger, and a Dinosaur all at one time! Friday's Space Day was filled with Astronauts, Star Wars, and Rocket Ships. We really had an amazing Week 3 of camp!

We began our **TRIBAL COMPETITIONS** and campers played Blind Hunter. All four tribes, the Blue Eldings, the Yellow Ladings, the Green Delcans and the Red Camdels showed off their tribal pride! This week, the **DELCONS** were victorious! Congratulations to all in the Delcans tribe! Campers will continue to compete each week in tribal competitions.

Careful when you pass the basketball courts. **The Hungry Hippos** might swallow you up! We are so excited for next week's special day, **World Heritage Day!** What fun and games are coming our way!?

Easy Pizza Dip

Cheese lovers and pizza fans will love this fast and easy dip recipe!! It's the perfect party food that's a guaranteed hit!

INGREDIENTS:

- 8 ounces brick-style cream cheese, very well-softened
- 1 1/2 cups grated mozzarella cheese, divided (3/4 cup and 3/4 cup)
- 1 cup finely grated parmesan cheese, divided (1/2 cup and 1/2 cup)
- 1 heaping cup pizza sauce
- Loaf of Italian bread
- Garlic powder (to make garlic bread "toasts")

INSTRUCTIONS:

1. Preheat oven to 375F. Spray a 9-inch pie dish with cooking spray.
2. Using a spatula or butter knife, evenly spread the cream cheese over the base of pie dish. It'll slide around a bit and it doesn't have to be perfect, but it's so much easier if your cream cheese is very well-softened.
3. Evenly sprinkle 3/4 cup mozzarella over cream cheese.
4. Evenly sprinkle 1/2 cup parmesan.
5. Evenly add the pizza sauce to cover cheese and if necessary, gently spread it with a spatula or knife to evenly disperse.
6. Evenly sprinkle 3/4 cup mozzarella over sauce.
7. Evenly sprinkle 1/2 cup parmesan.
8. Evenly top with pepperoni slices.
9. Bake for about 20 to 25 minutes (I baked 23 minutes), or until cheese has melted and dip is done to your liking. Allow dip to cool momentarily before serving.

"Na, I'm a Stay" at Camp

Campers have been doing a lot of Yoga at Fitness. Yoga is a very good to help campers stretch out and relax between their activities. Campers practiced poses like Down Dog, Cactus Arms, and Cobra. If you or your camper wants to stretch out their back switch between Cat and Cow! Get on your hands and knees. Now, looking upwards, belly down on the floor and inhale or Moo like a Cow. Next, exhale, look down, and arch your back upwards like a pet cat! Meow!

Namaste!

Music

Music has been going great so far this summer! Kiddie Kingdom loved singing and dancing to "Five Little Ducks", "Herman the Worm", and "Baby Shark. Kiddie Kingdom also enjoyed singing with many animal puppets. The first through fourth-grade groups have been playing a "Secret Sound Guessing Game" as well as singing and dancing to some of their favorite songs including "Kid In The Candy Store" by JoJo Siwa, "Roar" by Katy Perry, and "Get'cha Head In The Game" from High School Musical. The Sixth-grade elective class learned vocal and instrumental parts to the song "To Stop the Train" as well as learning to sing it in a round. During all of this, the music rehearsals for the camp shows are progressing amazingly as well! I can not wait to keep making music with everyone next week!

GREETINGS FROM UPPER CAMP!

With three weeks of camp in the books, our campers are having a fantastic time! There are smiles and laughter all around, as kids enjoy all there is to do at camp. From Archery to Baking, from the GaGa pits to the Basketball court, kids are playing together and rekindling old friendships. Our kids love the pool, and challenge themselves on the High Ropes Course and fly down the Zipline!

So far, we have enjoyed our trips, driving from the tee at Top Golf, and splashing down water slides into the cool mountain waters of Tomahawk Lake. We look forward to visiting the sand and Boardwalk at Jenkinson's Beach in Week 4, and then paddling canoes at Griggstown Kayak in Week 5.

We also have our first Upper Camp Stay Lates next week, with the girls staying late next Tuesday, July 20 and then the boys on Thursday, July 22.

We look forward to five more weeks of fun in the sun with our friends in Upper Camp!

There's no place like our happy place! Please remember that camper names should be on every item, including goggles and shoes. If you would like us to leave items at camp, send them in a labeled bag called "leave at camp" with the campers' names.

Rocketry

We've blasted off into summer fun the past few weeks in Rocketry. All of our elective groups have launched water rockets up to 100 feet in the air! Water and some pumped air is enough to pressurize these rockets for launch. We are looking forward to seeing more smiling faces and doing more activities with campers.
