Week 4

## Special Events

Week 4 brought us our first Tribal Day of the summer!!! The day was so much fun and full of great competition and good sportsmanship. We started the day with an epic Apache Relay where campers worked with their division while runners ran the baton of each tribe to the next. The Apache Relay ended with a huge Tribal Horse race as the chiefs raced to the finish line. Finishing in first place from the Apache Relay were the **Camdels**, in 2nd were the **Delcans**, 3rd were the **Eldings**, and in 4th were the **Ladings**. The Apache Relay was only the beginning of the day - campers got to participate in more tribal activities throughout the day such as **Pool Relays**, **Clean the Yard**, **REDLIGHT, GREENLIGHT**, **AYE AYE CAPTAIN**, **Mat Ball Relay**, **4 letter words**, and much more. All the activities counted for tribal points and the Tribal Day resulted in the **DELCONS** taking 1st place. All of the tribes did so great in the competition and we cannot wait to see how the summer continues to play out. Not only was it a Tribal day but it was also Camp Kindness Day!! The whole camp got to answer the following prompts on a HUGE piece of paper for the WHOLE camp to see. How can you show good sportsmanship during Tribal days? What are the traits of a good teammate/friend? How can you help out our kitchen and maintenance staff throughout the day?

Next week is Carnival, we can't wait to see everyone and have fun at the **CARNIVAL!!!**

Some people had their hair sticking straight up while others used spray paint to color their hair. Those crazy hats were so funny to see! Tuesday was **COUNTRY VS. COUNTRY CLUB**. From the rodeo to a yacht, campers and counselors dressed to impress. The Western look vs. the Preppy look! It was fun to see what everyone chose to wear today. Wednesday was our Special Day - **Tribal Day**. It was an amazing sight to see all of the different Tribes run through camp for the Apache Relay. Campers competed all day to see who would be the winner! On Thursday, it was **Book Character Day**. We saw many different characters from books represented; Harry Potter, Belle, and even The Magic School Bus! The 5th and 6th grade campers also went Roller Skating. Friday was **SURFERS VS. BIKERS**. Hey dude! We saw some tough looking bikers and some rad looking surfers all over camp.

This week in Tribes, campers competed in a variety of activities! Week 4 was a special week where all grades got to participate in the same tribal activities Every camper from KK up to 8th grade got to play Hungry, Hungry Hippos where they competed to see which tribe could get all of the food. KK and 1st graders ran to the middle to pick up two pieces of food at a time and raced back to their hula hoops, while 2nd-8th grade got to ride on scooters on their stomachs with a basket in their hands and they could only use that basket to pick up the pieces of their tribal color. It was a super fun activity that had everyone involved and it was a great way to rack up some tribal points. Congratulations to the Delcans tribe!

## Cherry Cheesecake Dip

### INGREDIENTS:

- 2 teaspoons cornstarch
- One 10-ounce bag frozen cherries (about 2 cups)
- 1/4 cup sugar
- Kosher salt
- 1 teaspoon lemon juice
- 8 ounces cream cheese, softened
- 1/2 cup sweetened condensed milk
- 1/3 cup sour cream
- 1/2 teaspoon vanilla extract
- Crushed graham crackers, for garnish

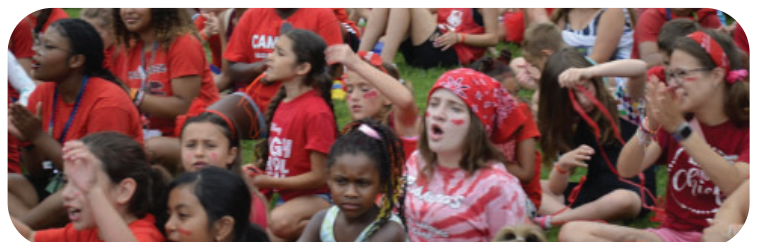

*Suggested dippers: graham crackers, vanilla wafer cookies, pretzels*

### DIRECTIONS:

1. Mix the cornstarch with 1 tablespoon cold water in a small bowl and reserve. Combine the frozen cherries, sugar and a pinch of salt in a medium saucepan and place over medium-high heat. Stir frequently to dissolve the sugar as the cherries defrost and release their liquid. Bring to a boil and reduce to a simmer, then cook until the cherries are soft and the liquid has thickened slightly, about 5 minutes. Stir in the cornstarch mixture to thicken the sauce; simmer for just another minute, then remove from the heat. Stir in the lemon juice and let cool completely.
2. Put the cream cheese in a large bowl and beat with an electric mixer on medium-high speed until fluffy, about 3 minutes. Add the condensed milk, sour cream, vanilla and 1/8 teaspoon salt. Beat again until very fluffy. Transfer to a shallow bowl or baking dish and smooth out. Top with the cooled cherry sauce. Sprinkle with crushed graham crackers and serve with dippers.

### DIRECTIONS:

1. Preheat oven to 350. Line baking sheets with parchment paper.
2. Sift together the flour, baking soda, and salt; set aside. Add in Oreo crumbs.
3. In a medium bowl, cream together the softened butter, brown sugar and white sugar until well blended.
4. Beat in the vanilla and eggs until light and creamy.
5. Mix in the sifted ingredients until just blended. Stir in the oreo chunks by hand using a wooden spoon.
6. Refrigerate dough for 1 hour.
7. Drop cookie dough 1 tablespoon at a time onto the prepared cookie sheets. Cookies should be about 3 inches apart.

### A Little About Mike, a New Division Leader...

#### Q: Why did you want to join the ELDC staff?

A: While I never was a camper here, my 3 oldest daughters have had some of their most incredible summer memories right here. When I saw their smiles at the end of each day, I knew I had to join the team.

#### Q: How many years have you been at ELDC?

A: This is my first year at camp and it's been an incredible experience. I now look forward to joining so many staff who return back year after year.

#### Q: Where is your favorite place you've traveled to?

A: Australia, I just wish it didn't take a full day on a plane to get there - and back!

#### Q: What is your favorite animal?

A: A lion. No animal protects its family as well as a lion does..and they're just beautiful creatures.

#### Q: What do you like to do in your free time?

A: I like to run, spend time with my family, and dream about the Eagles winning another Super Bowl!

#### Q: What is your favorite camp lunch?

A: That's easy. It's the falafel..I circled the day on the calendar when I heard it was being added to the menu!

#### Q: What is your favorite pool game?

A: I haven't spent much time in the pool but Ive taken a walk through the spray park on a few hot days and it's always a blast.

#### Q: What were you most excited about during the first day of camp?

A: I was so excited to meet all my new friends. From returning and new campers to returning and new staff, the excitement was worth it - everyone here is great!

#### Q: Do you have any pets?

A: Unfortunately not anymore but we look forward to adopting a new friend in the camp "off-season".

#### Q: Have you ever played Fortnite?

A: Nope. Never. The last video game I played was on a game system older than most of our counselors!

## 5 and 6 Division's Summer of Fun

The summer of 2023 is off to a great start here at Eagle's Landing. We had some awesome special days over the first few weeks. For Animation Sensation Day we played games inspired by some of our favorite cartoons. We participated in different wet games as part of Wacky Water Day. On Winter Wonderland Day, our campers really enjoyed some holiday inspired activities. For Tribal Day, the Apache Relay was an amazing event. We also went on some amazing trips. Branchburg Sports gave us the opportunity to play laser tag with our friends. We went on a ton of roller coasters at Great Adventure during week two. For week 3 we had a blast in the ocean at Sandy Hook Beach. Finally, this week's trip was the first time some of our campers ever went roller skating. If the first few weeks are any indication, this is going to be an amazing summer. We can't wait to see what else is in store.
