SunButter Sandwich Cookies

Ingredients:

- 1/2 cup Natural SunButter
- 1/3 cup maple syrup
- 3/4 cup oat flour (plus extra for rolling)
- 1 tsp vanilla extract
- 1/4 tsp salt

Filling:

- 1/4 cup Natural SunButter
- 1 tbsp coconut oil
- 1 tbsp maple syrup

Directions:

1. Preheat the oven to 350°F.
2. Whisk together the SunButter, maple syrup, and vanilla.
3. Add the oat flour and salt. Mix to form a thick dough.
4. Roll out on a sheet of wax paper, using a light dusting of oat flour as needed (too much will make your cookies dry). You want it pretty thin, less than 1/4 inch if possible.
5. Cut into flowers (or any shape) and transfer to a lined baking sheet. If they are hard to transfer, freeze the already rolled/cut dough for 10-15 minutes.
6. Bake for 15 minutes at 350°F until the edges are golden brown.
7. Cool completely before sandwiching.
8. For the filling, stir together all the ingredients and refrigerate for 10-15 minutes to thicken.
9. Spoon a dollop of filling on one cookie. Sandwich with another cookie. Refrigerate to “glue” them together and let the filling set completely.
10. Enjoy! Keep in the fridge for up to a week in an airtight container. Or you can freeze the cookies (without filling) for longer storage.
