## From the 3rd and 4th Grade Division Leaders

The boys and girls of 3/4 had a packed few weeks at Eagles Landing Day Camp. 3/4 Girls crafted Friendship Bracelets for a partner in their group during DL Time. Each camper was given another girl in their group to get to know and had to use that information to make them a bracelet. They used different beads and colors to show what they learned about their partners. The girls of 3/4 have been obsessed with lanyards and beads. We have been learning different ways to make these projects. We can't wait to enjoy the last week of camp and make it the best one yet.

3/4 Boys showed their skills at the Ga Ga pit, Basketball court, and Baseball field during their DL Time. They had their own Ga Ga Tournament and each put in tons of effort to have a winner. The boys are excited to have one more week of intense competition.

We are sad that the summer of 2024 is ending. We have made many memories with each camper and can't wait to see what the last week has in store. Remember the 3/4 Show is next Wednesday, August 14th at 6:00 pm. Keep sending in sun-screen, labeled items, water bottles, and SMILES!

## Chocolate Chip Muffins

We had a wonderful summer working with all of the amazing campers. We baked up some delicious treats and lifelong memories.

### INGREDIENTS:

- 1 cup all-purpose flour
- 1 ½ teaspoon baking powder
- 1 pinch salt
- 1 large egg
- 1/2 cup (100g) granulated sugar
- 1/2 cup (120g) plain yogurt, full fat
- 1/4 cup vegetable oil
- 1 teaspoon vanilla extract
- 3/4 cup mini chocolate chips & more for sprinkling over the muffins.

### DIRECTIONS:

1. Line a muffin pan with paper liners. Set aside. In a large bowl stir together flour, baking powder and salt and set aside.
2. In a medium bowl, mix together egg and granulated sugar until combined. Pour in yogurt, vegetable oil (or melted butter, slightly cooled), and vanilla extract. Add the wet ingredients to the dry ingredients and whisk until combined.
3. Mix the mini chocolate chips with 1 Tablespoon flour in a bowl\*\*, then fold in the mini chocolate chips into the muffin batter and stir until evenly spread (do not overmix the batter).
4. Cover the bowl with a cloth and let the muffin batter sit at room temperature for 1 hour to give time to the baking powder to activate – it's the key to tall and fluffy muffins, with an airy crumb.
5. Preheat the oven to 400°F, and carefully scoop the muffin batter into the muffin cavities up to the top. Add extra mini chocolate chips on top of each muffin\*\*\*.
6. Place muffins in the oven and reduce immediately the oven temperature 375°F (190°C). Bake for about 20 minutes or until a toothpick inserted in the center comes out clean. Cool for 5 minutes in the pan then remove muffins and on a wire rack to cool completely. Enjoy!
