Smiles Guaranteed

Week 2

Smiling Stupendously during Week 2

Camp is in full swing and the summer fun just keeps getting better! Each day brings new adventures, laughter, and unforgettable memories. This week, our campers showed off their wild side (and some pretty wild feet!) with **Silly Sock Day**, where colorful, mismatched, and downright goofy socks stole the show. **School Spirit Day** brought a wave of pride and cheers as everyone dressed in their favorite school colors, turning camp into a rainbow of teams and traditions. The games of **Tribal Day 1** had our four tribes bringing their A-game—friendly competition, teamwork, and plenty of high-fives made for an epic day. Things got extra bright and goofy during **Silly Sunglasses Day**, when campers sported the wackiest shades we've ever seen—sun safety never looked so cool! And finally, our campers roared, crawled, and stomped their way through **Where the Wild Things Are Day**, dressing up as their favorite creatures and letting their imaginations run free in a day filled with magical mischief.

The **DELcans** claimed victory the first week of camp, while the **Camdels** stole the week two win! The first tribal day was a stupendous success and, after a long day of point tallying, revealed that the **ELDINGS** took the day!

We hope all the campers had as much fun as we did and we can't wait to see you all next week!

~ Samantha, Newsletter Editor

First and Second graders enjoyed *Steal the Fish* and **Froggy Finds a Pad**. Tribal electives were available for third graders through LITs. They got to pick what types of activities they wanted to compete in. Elective activities varied from **Charades** and **Keep it Up** to **COKE & PEPSI** and **Sing That Word**. On Friday, there was a super fun **FOAM PARTY** that the campers loved. I can't wait to see what next week has in store for us!
